Application for Fire Service (Sprinkler)

Service Address: _____

Customer Name: _____

Signature: _____

Customer must hire a company to install the sprinkler system. They must also hire a company to tap the connection to the water main. The Water Foreman must be present for the connection to the water main for inspection. Please allow 72 hours to schedule the connection inspection.

One time Privilege Fees for Sprinkler Service

2" - \$2,000
4" - \$4,000
6" - \$6,000
8" - \$8,000

Sprinkler systems will be charged a \$95.00 Unit charge per quarter.

You can hire contractors for this work, but they must be approved by the town to do the Tap. We have listed approved contractors below:
