Discussion:

- Approved meeting minutes from 3/23/26
- Approved Agenda

-Rob discussed the Merrimac 150 anniversary celebration and upcoming event in September, inviting GAC to participate. It was suggested to wait for survey to be completed to get more info from residents.

-Tom Abisalih and Kendra summarized Waste Watchers workshop #3. Ideas for next steps discussed. Tom offered to help with questions as needed.

-Helping to promote next campaign by Homeworks will be discussed when more info from them is available.

-Kendra confirmed survey is ready to go once Andy has the flyer ready advertising it. Others can distribute the flyer to library, senior center, coffee shops.

-Ed will ask Mary for the online survey to be posted in sync with the May 1st electric bills, if Andy has the flyer done.

-Climate Leader Community requirement #5: Zero-Emission-Vehicle First Policy next step: May 12 date ready to present to Selectboard and Town departments, by Dylan Patel. Next step will be to request the Selectboard to approve of the policy at a future meeting.

-Kendra will attend MA Energy Explorer online event on May 7. Can anyone else attend?
