I. Year End Reserve Transfers

Call to order 6:05pm

Present: Drew Bowie, Marcia Zosac, Rob Gustison, James Archibald, Genevieve Donahue

\$15,500 for Trash and Recycling - Additional Recycling costs - I've added \$10,000 to budget next year, I will look to add another \$10,000 at Fall Town Meeting pending available funds.

Motion- Genevieve Donahue

Second- Drew Bowie

The garage doors are failing. We are constantly making repairs because of screws falling out, roller wheels breaking etc. The present doors have single pain glass and no insulation. The replacement door will be insulated and double pain low E glass. This will save energy an help protect our new bunker gear that is UV sensitive The trim is broke and needs paint. With the Police Dept. Moving and us needing to take required measure to secure the building, we will be able to use new technology and have the doors controlled from the dispatch center without doing anything more than replacing the door openers. Amount Requested: \$95,000

Motion- Rob Gustison

Second- Marcia Zosac
