Re: Form 500 & Annual Notice Filing

Dear Members of the Board:

Pursuant to G.L. Ch. 166A, Section 10, Comcast is pleased to provide a copy of the Form 500-YE2023. The Form 500 contains information on customer video service-related issues in your community and how Comcast responded, including the time taken to resolve these complaints. For the Form 500, the Massachusetts Department of Telecommunications and Cable defines a complaint as:

Any written or verbal contact with a cable operator in connection with subscription in which a person expresses dissatisfaction with an act, omission, product or service that is (1) within the operator's control, and (2) requires a corrective measure on the part of the operator.

Also, per Massachusetts cable regulations (207 CMR 10.01(2) and 10.02(6)), enclosed is a copy of Comcast's policies and procedures, sample subscriber bill, work order and rate & channel line-up information for your community.

Comcast has also provided a copy of the above information to the Department of Telecommunications and Cable.

Lastly, we wanted to share with you again the steps for emergency/trouble reporting procedure in the event a **municipal building** experiences problems with downed cable drops, signal transport issues with I-NET or Video Return Lines, Public, Education and Government (PEG) Access channels or to have our technical or construction staff on-site during an emergency.

Please do not hesitate to contact me should you have any questions at [REDACTED]

Sincerely,

Kerry Morris

EQUIPMENT COMPATIBILITY

Xfinity TV service is encrypted and requires a TV Box, TV Adapter, CableCARD or other navigation device that is compatible with our system for each television you wish to use with our service. You may not be able to use special features or functions of your television, VCR or DVD player/recorder with Xfinity TV service. Some of these problems may be resolved by the use of signal splitters, and/or other supplemental equipment that can be purchased from us or at electronic stores. Please call us if you would like to discuss the type of special equipment needed to resolve individual compatibility problems or if you have any questions regarding other equipment compatibility issues.

If you have a TiVo digital cable-ready DVR, you can access switched digital video services by obtaining a "tuning adapter" device. If you have a TiVo DVR or other digital cable-ready devices, you will need a TV Box, TV Adapter, or CableCARD from us to access switched digital video and other two-way cable services. Upon your request, we will provide you with the technical parameters necessary for a navigation device rented or acquired from retail outlets to operate with our system. Because of the need to protect our Xfinity TV service, we will not authorize the use of a navigation device that does not conform to all required signal security specifications. For information regarding other navigation devices, please go to <https://www.xfinity.com/support>.

REMOTE CONTROL UNITS

If you rent a TV Box or TV Adapter from us we will provide a compatible remote control. Also, you may purchase a compatible remote at local electronic stores or other retail outlets. COMPATIBILIDAD ENTRE EQUIPOS

El servicio Xfinity TV está cifrado y requiere, por cada televisor con el que desee usar el servicio, un decodificador de TV, un adaptador de TV, una tarjeta CableCARD u otro dispositivo de navegación que sea compatible con nuestro sistema. Posiblemente no pueda utilizar funciones o características especiales de su televisor, su videograbadora o su reproductor/grabador de DVD junto con el servicio Xfinity TV. Algunos de estos problemas se pueden resolver mediante el uso de divisores de señal y/u otros equipos complementarios que se pueden comprar en nuestra empresa o en tiendas de electrónica. Llámenos si quiere discutir qué tipo de equipos especiales necesitaría para resolver problemas de compatibilidad específicos o si tiene preguntas acerca de otros problemas de compatibilidad entre equipos.

Si tiene una videograbadora digital TiVo apta para televisión por cable, puede acceder a servicios de video digital conmutados mediante un "adaptador de sintonización". Si tiene una videograbadora digital TiVo u otros dispositivos digitales aptos para televisión por cable, necesitará que le proveamos un decodificador de TV, un adaptador de TV o una tarjeta CableCARD para acceder al servicio de video digital conmutado y a otros servicios bidireccionales por cable. Si lo solicita, le proporcionaremos los parámetros técnicos necesarios para un dispositivo de navegación que alquile o compre en nuestros puntos de venta minorista para usar con nuestro sistema. Debido a la necesidad de proteger nuestro servicio Xfinity TV, no autorizaremos el uso de dispositivos de navegación que no cumplan con todas las especificaciones necesarias para la seguridad de la señal. Para obtener información sobre otros dispositivos de navegación, visite <https://es.xfinity.com/support>.

UNIDADES DE CONTROL REMOTO

Si usted alquila uno de nuestros decodificadores o adaptadores de TV, le proveeremos un control remoto compatible. También puede comprar un control remoto compatible en una tienda electrónica local u otro punto de venta minorista. Le sugerimos que visite la página web del fabricante del control remoto antes de adquirir el dispositivo, para que confirme la compatibilidad del mismo con el equipo Xfinity y su televisión.

Comcast Xfinity Privacy Policy

Effective January 1, 2023

We know you care about your privacy and the protection of your personal information^①. We also know it is our responsibility to be clear about how we protect your information. We designed this Privacy Policy to do just that. It explains the types of personal information we collect, and how we collect, use, maintain, protect, and share this information. This Privacy Policy also tells you about the rights and choices you may have when it comes to your personal information.

Some of what we say in our Privacy Policy is required by law, and may at times seem long and complicated, but we've worked hard to try to make our Privacy Policy easy to understand and provide examples where possible. The Xfinity Privacy Center (www.xfinity.com/privacy) includes more information about:

- How to review and manage your personal information and account activity
- How to manage your preference, including setting your marketing and advertising preferences, and restricting certain uses and sharing
- How you can better protect yourself online

You can review this Privacy Policy and the information in the Xfinity Privacy Center anytime. If you still have questions, you can [contact us](#)^② for more information.

WHEN THE PRIVACY POLICY APPLIES

This Privacy Policy applies to the information we collect when you use or interact with the business entities, products, services, networks, and platforms^③, including our websites, mobile apps, and other services and devices where this policy is referenced. These may include Xfinity-branded services, Comcast-branded Services, and other products and services we deliver. This Privacy Policy also applies when you otherwise interact with us. We'll refer to all of these as our "Services" in this Privacy Policy. It also applies to the information we collect about you from third parties.

This Privacy Policy does **not** apply to the other products, services, websites, and applications^④ (mobile or television) that you may use or interact with through Xfinity platforms.

Learn more about when the Privacy Policy applies

Because this Privacy Policy describes the privacy practices for all of our Services, some parts may not apply to you. For example, if you do not subscribe to Xfinity Voice (home phone service) or Xfinity Mobile, we will not collect call detail information. If you do not subscribe to Xfinity Home, we will not collect home security event information.

Some Services may have additional privacy practices that may be described to you in different ways, such as in a separate contract for Comcast Business Services. To the extent there is an overlap between this Privacy Policy and a Service-specific privacy policy, the Service-specific policy or agreement will control with respect to that Service.

This Policy does **not** apply to the non-Xfinity products, services, websites, and applications that you may use through the Xfinity platforms and we are not responsible for the practices of the companies providing those offerings. For example, if you subscribe to Xfinity Internet and visit a news or shopping website, the privacy policy for that website will apply. If you use one of our platforms to use another company's streaming service, the privacy policy for that streaming service will apply to information it collects about your activity within the app. Likewise, if you connect your smart thermostat to your Xfinity Home security and automation service, the privacy policy of the smart thermostat company will apply to the information it collects. For more information about how these non-Xfinity products, services, websites, and applications use your information, please review their privacy policies.

THE PERSONAL INFORMATION WE COLLECT AND HOW WE COLLECT IT

To provide you with our Services, we collect your personal information. This can include information that does not personally identify you — such as device numbers, IP addresses, and account numbers. It may also include information that does personally identify you, such as your name, address, and telephone number. We call any information that identifies you "personally identifiable information" or "PII."

If you allow others to use your Services, we will also collect personal information about those individuals. If you use our Services through someone else's account, we will collect information about you, but it may not identify who you are to us. We may also collect information about you from third parties^⑤.

We collect this information to provide our Services, communicate with you, respond to your requests^⑥, and to tailor our Services^⑦ to best meet your needs and interests.

Learn more about the information we collect and see examples

What We Collect

- **Contact Information** — Information such as your full name and telephone number that we use to stay in contact with you
- **Account Information** — Information we use to identify who you are and/or to provide or maintain your account and Services, which may include biometric information, such as audio recordings and facial scans when used as a means of identification

- **Demographic and Interest Information** — Information we obtain from other companies to better tailor our programming, marketing, and advertising services to you
- **Service Activity Information** — Information associated with your use of our Services

In some cases, California requires that we use different names to describe the categories of information that we collect. For more information about these categories, please see the "Additional information regarding other laws and individual rights" section of this Privacy Policy.

We collect personal information about you in several ways:

 - Household and device video selection and viewing activity^⑨
 - Voice commands and audio recordings made through voice activated devices that are part of the Services, such as the Voice Remote or our app-based remote
 - Geolocation information on where you are at a specific point in time based on your service address to help us authenticate you^⑩ for certain services on our platform
 - IP addresses, device identifiers, and network equipment addresses when devices connect to our Services, and other device information, including information about Devices provided by other companies from which you use our Services
 - User activity information on our websites and applications using cookies and other technologies (Cookie Notice: www.xfinity.com/privacy/policy/cookie/notice) and information provided by other companies when you integrate their services with our Services^⑪
 - Domain Name Server or "DNS"^⑫ searches and network traffic activity^⑬ when you use our Services, such as Xfinity Internet, Xfinity Mobile or Xfinity WiFi
 - Geolocation information that indicates where your device is at a specific point in time when you use Xfinity Mobile^⑭ or enable that function in our mobile apps^⑮
 - General location information, such as the city or ZIP Code that correlates with the location of a WiFi service access point or with the lease of your device IP address when you use Xfinity Internet or Xfinity WiFi
 - The quantity, technical configuration, type, features, call history, and amount of your use of voice services (known as Customer Proprietary Network Information or "CPNI")

- Landlords and property owners that provide contact and other information
- Government entities that offer public records
- Consumer data providers that offer demographic^①, interest^②, purchase^③, and other data that we use to tailor our marketing and communications to your interest
- Providers of third-party apps that you use on devices governed by this privacy policy
- Social networks and other publicly available data, like Facebook^④
- Online advertising companies who may share information about the marketing and advertisements you have seen or clicked on

We do not knowingly allow others to collect personally identifiable information about your online activities over time and across third-party websites when you use our online Services. For more information about cookies and other online tracking technologies, please visit our Cookie Notice (www.xfinity.com/privacy/policy/cookie/notice); to manage your preferences, please visit the Xfinity Privacy Preferences Center (www.xfinity.com/privacy/your-privacy-choices). You can also use a browser that offers you the ability to use the Global Privacy Control to communicate your privacy preferences to us when you visit our websites; please note that this will not affect how we process your information when you interact with our products and services. In some of our Services, such as Xumo TV, we may also use technologies to attempt to recognize when different devices are used by the same individual.

Because definitions and rules for a "Do Not Track" standard have not yet been established, including whether such signals must be user-enabled, Comcast does not yet respond to "Do Not Track" signals sent from browsers.

WHEN AND WITH WHOM WE SHARE INFORMATION

You are in control of your data. We do not sell, and have never sold, information that identifies who you are to anyone. This includes your Internet usage information, video usage information, or call detail information. If you participate in offers that require us to disclose your identifiable data, we will, but only at your direction and with your consent.

We share personal information with others when it's needed to provide you with our Services, including with credit reporting agencies. We also share personal information with others:

- When you direct us to do so, including to authorize other users on your account
- When required by law or to respond to legal process
- To protect our property or rights or the safety of our employees, our customers, or other individuals

If we share your personal information with other companies for their own marketing and advertising activities, we will first get your consent. This may be through [opt-in or opt-out settings](#)^⑥, depending on the type of personal information shared.

We may also share personal information that does not identify you with third parties for their own marketing and advertising purposes, which you can opt out of. This mainly occurs when you interact with our websites and mobile applications that contain third-party cookies or other advertising trackers. To learn more about this, please read our Cookie Notice (www.xfinity.com/privacy/policy/cookie/notice).

Learn more about when and with whom we share information

The Comcast Family of Businesses

If Comcast shares the personal information it collects about you with separate Comcast companies, such as NBCUniversal-branded companies, to use for their own purposes, we will first give you the choice to opt out of or opt in to any sharing in the Xfinity Privacy Preferences Center (www.xfinity.com/privacy/your-privacy-choices).

Account Owners and Other Authorized Users

We may share information about a customer's account and use of a Service to the primary account owner following appropriate authentication. The primary account owner may also allow others to see information on the account.

Service Providers

To provide and support the Services, sometimes we use other companies as service providers to transmit, collect, process, or store information for us. We require these service providers to treat the information we share with them as confidential and to use it only for providing their services to us. These include:

- **Billing and collection providers**, such as payment processors and organizations that assist us in assessing your credit and payment status
- **Accounting, auditing, and tax providers**
- **Insurance providers**

- **Professional services providers**, such as firms that provide consultative services, assist with improving our programming, provide legal services, or supply project-based resources and assistance

Third Parties

We do not sell, and have never sold, information that personally identifies who you are to anyone. Although permitted by federal law, we do not disclose your name and address to non-governmental entities, such as charities or businesses, for their own marketing purposes.

Sometimes, you may ask us to share information that personally identifies you with another company®. In that instance, we will make sure you give us clear direction about what you want us to share and with whom, before we share that information.

Other sharing with third parties can include:

Social Media Companies

You may interact with parts of our Services that cause information to be published to your social networks. For example, you may click on a Facebook "like" button, which publishes to your Facebook account that you "like" one of our Services. On those parts of our websites with social network functionality, a social network may be able to collect information about you. For example, if a page contains a Facebook "like" button, Facebook may be able to collect data about your visit to that page, even if you don't click on the "like" button. To control this sharing of information, please review the privacy policy of the relevant social network and/or sign out of it before you use our Services.

Online Advertising Partners

We may use cookies or other technology to deliver personalized advertising to you when you visit other websites, including advertising based on the products and services you viewed on our Services. We also allow our partners, including advertisers and service providers, to use cookies and similar tracking technologies when you use our Services. For more information about the use of cookies and other technologies on our online Services, please see the Cookie Notice (www.xfinity.com/privacy/policy/cookie/notice).

Audience Measurement and Analytics Companies

We work with business partners to help us measure and analyze how our customers are using our Services. For video, this includes assessing which programs are most popular, how many people watch a program to its conclusion, whether people are watching advertisements, and what programming and video content we will carry on the Services. It also includes determining how our customers prefer to view certain kinds of programming when they use our Services, such as whether they like to watch certain programs live, or if they prefer to view them on demand, on mobile devices, or online. Our business partners may compile this information into reports with aggregated and anonymous statistics that are then made commercially available (for example, a ratings report that indicates what percentage of viewers watched a particular program live vs. on-demand). Xfinity Stream includes Nielsen's proprietary measurement software, which will allow users to contribute to market research, like Nielsen's television ratings. By visiting www.nielsen.com/digital/privacy, users can access more information about the measurement software and learn about their choices with regard to Nielsen's measurement.

Non-Xfinity Apps and Partners

Certain Services enable you to interact directly with technology provided by other companies, such as using a non-Xfinity video app® available through our Services, or accessing our Services through another company's platform or device®. When you use our Services in connection with any technology provided by another company, you are directing us to interact with that company and that company may collect information from you and our Services. This Privacy Policy does not cover the privacy practices of other companies. For more information about how those companies use your information, please review their privacy policies. For more information about non-Xfinity apps supported on our video Services, please visit <https://my.xfinity.com/privacy/providers>. Certain apps may also run using technology provided by Metrological, a separate Comcast company not subject to this Privacy Policy, whose privacy practices are described at www.metrological.com/privacypolicy.

Consumer Reporting Agencies

We disclose information that personally identifies you to consumer reporting agencies that may be subject to other laws, including the Fair Credit Reporting Act. These disclosures may include information that helps validate your identity, such as your name, current and former addresses, contact information, Social Security number, government-issued identifiers, your payment history and account status, and other identifying information.

Public Safety Authorities

If you have our Xfinity Voice service, Comcast will disclose your name and contact information to public safety authorities such as 911/E911 and related emergency services.

Directory Services, Assistance, and Caller ID

Your name, address, and telephone number may be sent to publishers to be printed in directories and posted in online directories. Once that information is printed or posted online, it is outside of our control and may be sorted or repackaged and made available again in different formats by anyone, including data aggregators, for a variety of purposes, including marketing. For a fee, you can choose to have a nonpublished number, which means that Comcast will not provide your name, address, and telephone number for publishing in the phone book and online directories. You can also choose to have a published number, but choose the "omit address feature," which means we will not provide your street address for publishing in the phone book and online directories. If initiating service online, select "non-published" option, otherwise call 1-800-XFINITY to sign up.

We may also make your number, name, and address available to directory assistance (411) providers. If you have a nonpublished number, Comcast will not make your number available through directory assistance. Comcast may still share your name and address with the 411 provider when specified by law (but the provider is not authorized to share your non-published number).

Please note: While the non-published feature will keep your name, address, and telephone number out of printed and online directories over which Comcast exercises control, even a non-published phone number may exist in databases not controlled by Comcast – if, for example, your present telephone number or address was previously published under your name, or if you provided this information to businesses or government agencies. One way to help protect your privacy may be to request assignment of a new telephone number (with which your name has not previously been associated). You may also want to activate Caller ID Blocking or select the do-not-call option.

Caller ID provides your name and telephone number to the person you are calling – even if you have a nonpublished number. Per Line Caller ID Blocking will automatically block Caller ID for all calls you make from your registered telephone number and can be activated by calling 1-800-XFINITY. Per Call Caller ID Blocking will block name and number on a per-call basis and can be activated by dialing *86 before each call you want to block.

Potential Purchasers of our Business

If we enter into a potential or actual merger, acquisition, or sale of all or a portion of our assets, then information about you and your subscription will, in most cases, be shared or transferred as part of the transaction. This includes information that personally identifies you. If this Policy will be changed as a result of such a transaction, you should refer below under "Changes to this Privacy Policy."

Government and Other Entities When Required by Law or To Protect Comcast and Others

There are times when we may be required by law to disclose information about you to third parties. This may happen with or without your consent, and with or without notice, in compliance with the terms of valid legal process such as a subpoena, court order, or search warrant.

If you subscribe to our Xfinity Video service, Comcast may be required to disclose information that personally identifies you to a governmental entity in response to a court order. In this case, the Cable Act requires that you be given the opportunity to appear in a court proceeding to contest any claims made in support of the court order, and the governmental entity must offer clear and convincing evidence that you are reasonably suspected of engaging in criminal activity and that the information sought would be material evidence in the case. For more information, see "Your Rights and Our Limitations Under Federal Laws."

If you subscribe to the Xfinity Internet, Voice, Mobile, or Home security and automation Services, Comcast may be required to disclose information that personally identifies you to a governmental entity in response to a subpoena, court order, or search warrant, depending on the type of information sought. We may be prohibited from notifying you of any such disclosures by the terms of the legal process.

A non-governmental entity, such as a civil litigant, can seek information that personally identifies you or your use of the Xfinity Video, Internet, or Voice Services only pursuant to a court order, and we are required by the Cable Act to notify you of such court order. If Comcast is required to give information that personally identifies you to a private third party in response to a civil court order for these or other Services, we will notify you prior to making such disclosure unless legally prohibited from doing so.

We may also disclose information that personally identifies you as permitted by law and without your consent when it is necessary to protect our customers, employees, or property in emergency

situations; or to enforce our rights under our terms of service and policies.

HOW WE PROTECT YOUR INFORMATION

We follow industry-standard practices to secure the information we collect to prevent the unauthorized access, use, or disclosure of any personal information we collect and maintain. These security practices include technical, administrative, and physical safeguards, which may vary, depending on the type and sensitivity of the information. Although we take the responsibility of safeguarding your personal information seriously, no security measures are 100% effective and we cannot guarantee that these practices will prevent every unauthorized attempt to access, use, or disclose your information. Comcast also takes additional steps to increase the security and reliability of customer communications. We do not read your outgoing or incoming email, file attachments, video mail, private chat, or instant messages. However, we (along with our service providers) use software and hardware tools to help prevent and block "spam" emails, viruses, spyware, and other harmful or unwanted communications and programs from being sent and received over Comcast.net email and the Comcast Services. To help protect you and the Services against these harmful or unwanted communications and programs, these tools may automatically scan your emails, video mails, instant messages, file attachments, and other files and communications. We do not use these tools for marketing or advertising.

HOW LONG WE KEEP YOUR INFORMATION

We keep your personal information for different lengths of time depending on the type of information and the business and legal requirements. For example, if you are a customer, we keep information that personally identifies you as long as you subscribe to one or more of our Services. If you no longer subscribe to a Service, we still may need that information for business and legal requirements, such as to protect against fraud, calculate taxes, or respond to legal requests. Other information is deleted automatically after a set period of time, often set by law, unless we are legally required to hold it longer, such as for pending litigation. We destroy, de-identify, or anonymize the information when it is no longer needed in identifiable form.

THE CHOICES YOU HAVE TO CONTROL OUR USE OF PERSONAL INFORMATION

You have many choices about how we communicate with you and how we use or share your information. You can manage these settings in the Xfinity Privacy Preferences Center (www.xfinity.com/privacy/your-privacy-choices). If you change your mind, you can update your preferences any time.

Learn more about your privacy choices

For your convenience, we have created the Xfinity Privacy Preferences Center (www.xfinity.com/privacy/your-privacy-choices), where you can manage:

- how we process personal information linked to your account for certain uses associated with audience measurement, analytics, and personalized advertising for third-party products and services based on your interests
- whether we use your sensitive personal information for personalized recommendations, advertising, and marketing
- your preferences regarding which cookies are stored by our website in your browser when you visit
- your preferences regarding communications, offers, and notifications from us

You can find out more about the choices you have and set your preferences. If you change your mind, you can return any time to update it. Some of the choices are limited to our use of certain customer information and may require you to sign into your account.

We understand that sometimes you may want to speak to a Comcast representative who can assist you with your choices. You can contact Comcast at 1-800-XFINITY and ask us to put your name on our internal company "do not call," "do not mail," or "do not knock" list.

If you subscribe to Xfinity voice service, when you are interacting with one of our customer service representatives, such as on a call, in our offices, or during an online chat session, we may ask you for your oral consent to the use of your customer proprietary network information or "CPNI" for the purpose of reviewing your account and providing you with an offer for other products and services. If you provide consent, Comcast may use your CPNI only for the duration of that telephone call or discussion in order to offer you additional services. If you deny or restrict your approval for us to use your CPNI, you will suffer no effect, now or in the future, on how we provide any services to which you subscribe.

Additional privacy preferences may be available to you on the devices you use to access the Services.

HOW TO ACCESS AND CORRECT THE INFORMATION IN OUR RECORDS

Part of our commitment to transparency includes giving our customers access to the personal information we have about them. If you subscribe to our Services, you have the ability to see and correct your personally identifiable information through your online account services.

Certain states may give you additional rights, as described in the "Additional information regarding other laws and individual rights" section of this Privacy Policy.

All individuals may also make requests to access and correct certain personal information, and to have us delete certain personal information through our Privacy Center by visiting www.xfinity.com/privacy/requests.

Learn more about how to access personally identifiable customer information

If you subscribe to an Xfinity Service, you may correct or update information in your account by visiting www.xfinity.com or by contacting us as described below. If you are an Xfinity Home customer, you can also correct or update your contact and emergency information in the Xfinity Home app. We will correct our records once we have verified that the changes you request are proper.

If you subscribe to Xfinity TV, Internet, or Voice services and would like to see your own personally identifiable information, other than your customer proprietary network information ("CPNI"), you may do so at your local Comcast office. To do so, please contact us by email at Comcast_Privacy@comcast.com or by phone at 1-800-XFINITY, giving us a reasonable period of time to locate and, if necessary, prepare the information for review, and to arrange an appointment during regular business hours. You will need to have proper identification and will only be able to see the personally identifiable information in your account and no other account.

If you make a written request for a copy of your Xfinity Voice or Mobile CPNI, we will provide you with the relevant information we have by mailing it to your account address, or to any person authorized by you, if we reasonably believe the request is valid. However, subscribers to our Xfinity Voice and Mobile Services should be aware that we generally do not provide them with records of any inbound or outbound calls or other records that we do not furnish in the ordinary course of business (for example, as part of a bill) or which are available only from our archives, without valid legal process such as a court order. In addition, we cannot correct any errors in customer names, addresses, or telephone numbers appearing in, or omitted from, our or our vendors' directory lists until the next available publication of those directory lists. Further, we may have no control over information appearing in the directory lists or directory assistance services of directory publishers or directory assistance providers that are not owned by us.

Comcast reserves the right to charge you for the reasonable cost of retrieving and photocopying any information or documents that you request, where permitted by law.

YOUR RIGHTS AND OUR LIMITATIONS UNDER FEDERAL LAWS

The federal Cable Act imposes limitations on our collection and sharing of information that personally identifies you when you subscribe to Services that use the facilities of the Comcast cable system. The Communications Act imposes restrictions on our use and sharing of CPNI when you use Services that are deemed telecommunications services.

Learn more about your rights and our limitations under federal laws

The Cable Act and Personally Identifiable Information

This Privacy Policy is designed to comply with Section 631 of the Cable Communications Policy Act of 1984, as amended, (the "Cable Act"). The Cable Act permits Comcast to use the cable system to collect personally identifiable information about you. Personally identifiable information is information that identifies you specifically; it does not include de-identified, anonymous, aggregate, or other data that does not identify you. We may collect personally identifiable information when it is necessary to render cable services or other services to you and to detect unauthorized reception or use of the services. We may use the cable system to collect personally identifiable information about you for additional purposes with your prior written or electronic consent. The Cable Act also permits Comcast to disclose personally identifiable information if the disclosure is necessary to render, or conduct a legitimate business activity related to, the cable service or other services provided to you; required by law or legal process; or limited to your name and address, subject to your opt-out consent. The frequency of any disclosure of personally identifiable information varies in accordance with our business needs and activities as described in this Policy.

If you believe that you have been aggrieved by any act of ours in violation of the Cable Act or other applicable laws, we encourage you to contact us directly at Comcast_Privacy@comcast.com in order to resolve your question or concern. You may also enforce the limitations imposed on us by the Cable Act as applicable with respect to your personally identifiable information through a civil lawsuit seeking damages, attorneys' fees, and litigation costs. Other rights and remedies may be available to you under federal or other applicable laws as well.

This Privacy Policy neither supersedes, enhances, nor modifies any arbitration agreement to which you may be bound as a subscriber to one or more of the Services.

The Communications Act and CPNI

Section 222 of the Communications Act of 1934, as amended (the "Communications Act"), provides additional privacy protections for information about the quantity, technical configuration, type, destination, location, and amount of your use of telecommunications services, including Xfinity Voice and Mobile Services, and the information about those services contained on your bills for those

Services. This information is known as customer proprietary network information or "CPNI." CPNI does not include your name, address, or telephone number, which is defined by the Communications Act as "subscriber list information." However, that information is otherwise considered personally identifiable information.

If you are a customer of Xfinity Voice or Mobile Service, or another Service that is subject to these requirements, you have the right, and Comcast has a duty, under the Communications Act and other applicable laws, to protect the confidentiality of your CPNI. In addition, the FCC's rules provide additional privacy protections and choices regarding use and sharing that are specific to our Voice and Mobile service that we describe in this Policy.

ADDITIONAL INFORMATION REGARDING OTHER LAWS AND INDIVIDUAL RIGHTS

CALIFORNIA NOTICE AT COLLECTION

California law provides California residents with rights to receive certain disclosures regarding the collection, use, and sharing of "Personal Information," rights to access, delete, correct certain Personal Information we collect about them, restrict us from "selling" or "sharing" certain Personal Information, and limit our use of Sensitive Personal Information, as defined by the law and described in the categories below. These rights apply to all residents of CA, regardless of whether you are a customer, business contact, or member of the workforce. As a California resident, you have a right not to receive discriminatory treatment for the exercise of your privacy rights.

The California Consumer Privacy Act defines "Personal Information" to mean "information that identifies, relates to, describes, is capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household."

You or your authorized agent may submit a request to exercise these rights by visiting www.xfinity.com/privacy/requests or calling us at 1-844-963-0138. To opt out of targeted advertising and the sale or sharing of Personal Information, or to set preferences regarding our use of Sensitive Personal Information, please visit the Xfinity Preferences Page (www.xfinity.com/privacy/your-privacy-choices) and make the appropriate selections in the Settings menu of your relevant devices including X1, Flex, XClass and Xumo TV.

Residents of the State of California also have the right to request information regarding third parties to whom the company has disclosed certain categories of personal information during the preceding year for the third parties' direct marketing purposes under California's "Shine the Light" law (Cal. Civ. Code §1798.83). Personal information under this California law means "any information that when it was disclosed identified, described, or was able to be associated with an individual." We do not disclose this type of personal information to third parties for their own purposes and we permit you to opt out of any disclosures of non-identifiable personal information. However, if you are a California resident and would like to inquire further, please email Comcast_Privacy@comcast.com.

Collection, Use, and Retention of Personal Information

The general section of this Privacy Policy describes the types of personal information we collect, how we collect it, how we use it in categories that are easy to understand. The CCPA requires us to disclose the personal information we have collected about consumers in the following categories. Some of the categories include very different types of information within the same category and certain personal information may fall into multiple categories. How we use and how long we keep the information within each category will vary, and not all types of information within the same category will be used for all the purposes listed.

California law also requires us to provide information regarding the criteria we use to determine the length of time for which we retain personal information. We utilize the following criteria to determine the length of time for which we retain personal information:

- The business purpose for which the information is used, and the length of time for which the information is required to achieve those purposes;
- Whether we are required to retain the information in order to comply with legal obligations or contractual commitments, or is otherwise necessary to investigate theft or other illegal activities, to ensure a secure online environment, or to protect health and safety;
- The privacy impact on the consumer of ongoing retention, including the consumer's likely expectations in light of the sensitivity of information and our Privacy Commitments; and
- The manner in which information is maintained and flows through our systems, and how best to manage the lifecycle in light of the volume and complexity of the systems in our infrastructure.

Individual pieces of personal information such as those listed above may exist in different systems that are used for different business or legal purposes. A different maximum retention period may apply to each use case of the information. Certain individual pieces of information may also be stored in combination with other individual pieces of information, and the maximum retention period may be determined by the purpose for which that information set is used.

California residents have the right to request that we disclose what personal information we collect, use, and sell, as well as the right to request that we delete certain personal information that we have collected from you. If we hold personal information that is not accurate, California residents have the right to request that we correct this information. You or your authorized agent may submit a request to exercise your rights by visiting www.xfinity.com/privacy/requests or calling us at 1-844-963-0138.

ADDITIONAL INFORMATION REGARDING MAINE RESIDENTS' PRIVACY RIGHTS

Maine's Broadband Internet Access Service Customer Privacy Act generally prohibits providers of broadband Internet access service ("Providers") from using, disclosing, selling or permitting access to

"customer personal information" without a customer's express, affirmative consent, which may be revoked at any time.

However, no consent is required for the collection, retention, use, disclosure, or sale or access to customer personal information when such activities are required to:

- Provide the service from which such information is derived or for the services necessary to the provision of such service;
- Advertise or market the Provider's communications-related services to the customer;
- Comply with a lawful court order;
- Initiate, render, bill for and collect payment for broadband Internet access service;
- Protect users of the provider's or other providers' services from fraudulent, abusive or unlawful use of or subscription to such services; or
- Provide geolocation information concerning the customer:
 - For the purpose of responding to a customer's call for emergency services, to a public safety answering point, a provider of emergency medical or emergency dispatch services; a public safety, fire service or law enforcement official; or a hospital emergency or trauma care facility; or
 - To a provider of information or database management services solely for the purpose of assisting in the delivery of emergency services in response to an emergency.

A Provider may not refuse to serve a customer who does not provide consent when required or charge a customer a penalty or offer a customer a discount based on the customer's decision to provide or not provide consent.

A Provider shall take reasonable measures to protect customer personal information from unauthorized use, disclosure or access, taking into account the nature and scope of the Provider's activities, the sensitivity of the data the provider collects, the size of the Provider, and the technical feasibility of the security measures.

In addition, a Provider may use, disclose, sell, or permit access to non-CPI, unless the customer opts out.

ADDITIONAL INFORMATION REGARDING VIRGINIA RESIDENTS' PRIVACY RIGHTS

Virginia law provides Virginia residents with rights to access, delete, and correct certain "Personal Data" we collect about them, as well as to restrict the use of that Personal Data for targeted advertising, restrict the "sale" of that Personal Data, and control our use of Personal Data considered sensitive. If you are a Virginia resident, you also have a right not to receive discriminatory treatment for the exercise of your privacy rights.

The Virginia Consumer Data Protection Act defines "Personal Data" to mean "any information that is linked or reasonably linkable to an identified or identifiable natural person." When we use the term "personal information" in our Privacy Policy, it includes Personal Data covered by this definition.

You or your authorized agent may **submit a request** to exercise your access, deletion, and correction rights by visiting www.xfinity.com/privacy/requests or calling us at 1-844-963-0138. To opt out of targeted advertising and the sale or sharing of Personal Data, or to set preferences regarding our use of sensitive Personal Data, please visit the Xfinity Preferences Page (www.xfinity.com/privacy/your-privacy-choices) and make the appropriate selections in the Settings menu of your relevant devices including X1, Flex, XClass TV and Xumo TV. ADDITIONAL INFORMATION REGARDING EEA, SWITZERLAND, AND UNITED KINGDOM RESIDENTS' PRIVACY RIGHTS

The EU General Data Protection Regulation and the UK General Data Protection Regulation provide residents of the EEA, United Kingdom, and Switzerland the rights to receive notice regarding the purposes for which your data are processed and the legal basis for our processing, the categories of recipients of your personal information, whether the personal information will be transferred outside these jurisdictions, and the criteria we use to determine how long to retain your data. You also have the right to receive notice about your rights. These rights apply to all residents of these locations, regardless of whether you are a customer, business contact, or member of the workforce.

The GDPR defines "Personal Data" to mean "any information that is linked or reasonably linkable to an identified or identifiable natural person." When we use the term "personal information" in our Privacy Policy, it includes Personal Data covered by this definition.

RIGHT TO BE INFORMED

The general section of this Privacy Policy describes the types of personal information we collect, how we collect it, and how we use it in categories that are easy to understand. For information on our retention practices, please see "How long we keep your information" above.

Legal Basis for Processing

We rely on a variety of legal bases to process your personal information. We mainly process your personal information because it is necessary to perform our agreement to provide the Services to you or because the processing is necessary for our legitimate interests where those interests do not override your fundamental rights and freedoms related to data privacy. Where we rely on legitimate interest as this lawful basis, our legitimate interest is necessary for promoting our business, improving the services we offer to you and your experience when you interact with us, and ensuring effective operational management and internal administration of our business and the exercise of our rights. In limited circumstances, we may rely on other legal bases for processing your personal information, including when necessary to comply with a legal obligation or where you provide your consent for processing.

Cross-Border Transfer of Information

Certain personal information may be transferred to and processed in the US and other countries where we have facilities or in which we engage service providers. The laws in the U.S. regarding personal information may be different from the laws of your state or country. We implement appropriate safeguards to protect your personal information as required by relevant law, including supplemental measures, if we transfer your personal information outside of the EEA, UK, or Switzerland.

RIGHT OF ACCESS, RIGHT TO DATA PORTABILITY, RIGHT TO REQUEST CORRECTION, AND RIGHT TO REQUEST DELETION OF INFORMATION

You have the right to request that we:

- Give you access to, and a copy of your personal information we hold in our systems;
- Correct or update inaccurate or incomplete personal information we have about you;
- Delete all or some of the personal information we have about you (e.g., if it is no longer needed to provide Services to you).

To submit a request to exercise your rights, please complete the form available at www.xfinity.com/privacy/requests. We may have a reason under the law why we do not have to comply with your request, or may comply with it in a more limited way than you anticipated. If we do, we will explain that to you in our response. Please note that, in order to verify your identity, we may require you to provide us with information prior to accessing any records containing information about you. In certain circumstances, we may not collect sufficient identifiers to match information in our records with your request.

RIGHT TO OBJECT, WITHDRAW CONSENT, AND RESTRICT PROCESSING

You have the right to request that we:

- Stop using, and ensure that all third parties stop using, some or all of your personal information (e.g., if we no longer have a legal basis to process it);
- Stop contacting you with promotional messages.

You can exercise these rights by visiting the Xfinity Preferences Page (www.xfinity.com/privacy/your-privacy-choices) and making the appropriate selections in the Settings menu of your relevant Comcast/Xfinity issued devices.

RIGHT TO OPT OUT OF AUTOMATED PROCESSING

You have the right to opt-out of automated processing where such processing would produce legal or other similarly significant effects. However, we do not use personal information of residents of the EEA, Switzerland, and United Kingdom to make automated decisions about you that would have these effects.

RIGHT TO LODGE A COMPLAINT

You have the right to lodge a complaint with your local data protection authority about our use of your personal information.

CHANGES TO THIS PRIVACY POLICY

We may change this Privacy Policy over time as our business needs and those of our customers change. If we make material changes to this Privacy Policy that increase our rights to use personal

information that we have previously collected about you, we will notify you through written, electronic, or other means so that you can make any necessary decisions about your ongoing use of our Services.

MORE INFORMATION ABOUT SOME OF THE TERMS AND PHRASES USED IN THE POLICY

Below you can find illustrative examples and more information about the terms used in the policy that have ⓘ next to them.

Personal information: Includes any information that is linked or reasonably linkable to you.

Products, services, networks, and platforms: Examples of when this policy applies include: Xfinity® TV and Streaming, Xfinity Internet, xFi and Xfinity Advanced Security, Xfinity Voice, Xfinity Stream app, Xfinity WiFi service, Xfinity Home, Xfinity Mobile, Xfinity Flex, XClass TV, Comcast Business Services, Effectv, Xumo, Xumo TV, Xumo Play.

Other products, services, websites, and applications: For example, if you use the Peacock app on your X1 or Xfinity Mobile phone, NBCUniversal's privacy policy will apply to the information collected through that app.

Third parties: Third parties are other companies that collect or maintain information about you and share it with us, such as credit bureaus who share information with us when you sign up for service and consent to a credit check.

Respond to your requests: In order to provide better customer service, we keep track of when you contacted us, what the issue was and what is the best way to get in contact with you.

Tailor our services: We collect data from third parties to better understand your interests and provide personalized offers.

Photographs: For example, we may take a picture of your porch or doorstep with the equipment we deliver to you or aerial photographs of our network to assess network safety and compliance.

Video selection and viewing activity: When you use the video services we directly provide, such as Xfinity TV and the Xfinity Stream app, we know what video selection you made in order to deliver it to you. When you access content from third-party applications on the X1, Flex, XClass or Xumo TV platform, we will only know that you accessed that application, not what you do within those video selections unless you have allowed the sharing of this information.

To help us authenticate you: Some of our services can only be provided in certain geographic areas and require us to know that you are physically located at your service address in order to use them or access information.

Information provided when you integrate other services with our Services: For example, if you download or use another company's tools or features that are compatible with our Services, that other company will collect information about your use of those tools and features and may share additional information with us.

DNS: The address book of the Internet is known as DNS, or Domain Name System. It's how people navigate the Internet. Millions of Comcast customers look up billions of addresses online every day. We delete the DNS queries generated by our Internet customers every 24 hours except in very specific cases where we need to research a security or network performance issue, protect against security threats, or comply with a valid legal request. You may decide to keep that information in your account longer when you enable certain features, such as our advanced security services that allow you to see the websites that are blocked for up to 30 days. But we've never used that data for any sort of marketing or advertising – and we have never sold it to anyone.

Network traffic activity: Where you go on the Internet is your business, not ours. We limit our use of customer network traffic activity to assess how the network is performing; understand trends; stay ahead of capacity demands; build, test, and improve our products and services; and for fraud and security purposes. We do that with a sample of network data and we only connect our customer's network activity to particular individuals when necessary for security or fraud purposes, or required by law.

Xfinity Mobile: We don't sell, and have never sold, your location data when you use our Xfinity Mobile service.

Mobile apps: If you are using a mobile device to access our Services, we may need to know the location of your mobile device or other device in which you have installed one of our applications for certain functionality, such as connecting you to a nearby Xfinity WiFi Hotspot. We will request your consent to collect and use precise geolocation information before we do so. You can prohibit the collection of this information through your device's settings (see "Your Choices") but doing so may limit certain functions and features of our Services.

Demographic: Information like gender, age, and census records.

Interest: Information that indicates your interest in things like sports, travel, or cooking.

Purchase: Information from loyalty program or public records.

Facebook: If you interact with our Services on a device through which you also interact with social networks or if you interact with us through a social media function such as a plug-in (for example, a Facebook "like" button) then you may be permitting us to have on-going access to some information from your social network profile (such as your name, email address, your friend list, photo, age, gender, location, birthday, social networking ID, current city, the people/sites you follow, and so forth). If you don't want a social network to collect the information about you as described above, or you don't want a social network to share it with us and other third parties, please review the privacy settings and instructions of the applicable social network before you interact with our Services.

Measurement and analytics reports for us and others: We and service providers who work on our behalf may combine and use data from our business records – including account information, video activity data, and other usage data – with data from third parties to create measurement and analytics reports. These reports are de-identified or aggregated and do not contain any information that personally identifies you.

We use these reports for many of the purposes described in the Privacy Policy, such as for improving the Services, creating and delivering more personalized advertising on behalf of Comcast and other third parties, determining whether and how an advertiser's messages are viewed, and analyzing the effectiveness of certain advertisements on the Comcast Services and other platforms and services. We also use these reports to work with academic or research groups, and for other uses that help us develop and fund improvements in services and infrastructure. We may share these reports with programmers, advertisers, or others. To learn about the choices you have with respect to our use of your information for these purposes, visit the Xfinity Privacy Preferences Center (www.xfinity.com/privacy/your-privacy-choices).

Opt-in or opt-out settings: For example, if we share personal information that does not personally identify you with others for their own use, we will first give you the choice to opt out of such sharing. In other instances, you may want us to share your name, physical address, or email address with another company, such as when you are signing up for a third-party service through one of our platforms, such as the X1, Flex, XClass or Xumo TV platform. In that instance, we will make sure you give us clear direction to do so, before we pass that information on.

Another company: For example, when you are signing up for a third-party service through our X1 or Flex, you may ask us to share contact information to help you register or log on. Or if you were interested in a product you saw advertised on television and wanted to share your contact information so that the product provider could send you more information, we might present that option to you.

Non-Xfinity video app: For example, when you use Peacock on the X1, Flex, XClass or Xumo TV platform.

Another company's platform or device: For example, when you use the Xfinity Stream app from devices operated by other companies, such as an Apple or Android device.

Vary: For example, the CCPA puts name and social security number in the same category. We may use your name to send you marketing materials for our products, but we will not use your Social Security Number for marketing or advertising.

Customer personal information: (1) Personally identifying information about a broadband customer, including but not limited to the customer's name, billing information, social security number, billing address and demographic data; and (2) Information from a customer's use of broadband Internet access service.

Esto incluye información sobre su uso de Internet, video o detalles de llamadas. Cuando participe en ofertas que requieran la divulgación de datos que lo identifiquen, solo los divulgaremos si usted lo indica y lo autoriza.

Compartimos la información personal con otros cuando sea necesario para proporcionarle nuestros Servicios, incluso con agencias de informes crediticios. También compartimos información personal con otros:

- Cuando usted nos instruya a hacerlo, incluso para autorizar a otros usuarios en su cuenta
- Cuando sea requerido por la ley o para responder a un proceso legal
- Para proteger nuestras propiedades o derechos, o la seguridad de nuestros empleados, clientes u otros individuos

Solicitaremos su consentimiento antes de compartir su información personal con otras compañías para sus propias actividades de comercialización y publicidad. Dependiendo del tipo de información personal divulgada, esto podría realizarse a través de una opción de inclusión o exclusión.

También podremos compartir información personal que no lo identifique con terceros para sus propios fines de comercialización y publicidad, de lo cual usted puede optar por excluirse. Esto ocurre principalmente cuando interactúa con aplicaciones móviles y sitios web nuestros que contienen cookies de terceros u otros rastreadores publicitarios. Para obtener más detalles sobre esto, lea nuestro Aviso sobre cookies (<https://es.xfinity.com/privacy/policy/cookie/notice>).

La familia de empresas de Comcast

Si Comcast comparte la información personal que recopila sobre usted con otras empresas de Comcast, como las empresas de la marca NBCUniversal, para utilizarla para sus propios fines, primero le daremos la opción de aceptar o rechazar que se comparta dicha información en el Centro de preferencias de privacidad de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>).

Titulares de cuentas y otros usuarios autorizados

Podríamos divulgar información sobre la cuenta de un cliente y su uso de un Servicio al titular principal de la cuenta, una vez autenticado debidamente. El titular principal de la cuenta también podría permitir a otros ver información de la cuenta.

Proveedores de servicios

Con el fin de proporcionar y apoyar los servicios, a veces recurrimos a otras empresas en carácter de proveedores de servicios para transmitir, recopilar, procesar o almacenar información en nuestro nombre. Exigimos a estos proveedores que traten la información que compartimos con ellos como información confidencial y que la utilicen únicamente para prestarnos sus servicios. Estos proveedores incluyen:

- **Proveedores de facturación y cobro**, como procesadores de pagos y organizaciones que nos ayudan a evaluar su situación crediticia y de pagos
- **Proveedores contables, de auditoría e impositivos**
- **Proveedores de seguros**
- **Proveedores de servicios profesionales**, como firmas que ofrecen servicios de consultoría, nos ayudan a mejorar nuestra programación, prestar servicios legales o suministrar recursos y asistencia para proyectos específicos

Terceros

No vendemos, ni hemos jamás vendido a nadie ninguna información que lo identifique personalmente. Aunque la ley federal lo permite, no divulgamos su nombre ni su dirección a organizaciones no gubernamentales, como entidades benéficas o empresas, para sus propios fines de comercialización.

En ocasiones, usted podría pedirnos que compartamos información que lo identifica personalmente con otra empresa. En tal caso, nos aseguraremos de que nos dé instrucciones claras acerca de qué quiere que compartamos y con quién antes de hacerlo.

La divulgación de información a terceros podría incluir:

Empresas de redes sociales

Su interacción con ciertas partes de nuestros Servicios podría hacer que se publique información en sus redes sociales. Por ejemplo, usted podría hacer clic en un botón "me gusta" de Facebook, lo que publicaría que "le gusta" uno de nuestros Servicios en su cuenta de Facebook. En las partes de nuestros sitios web que cuentan con funciones de redes sociales, una red social podría recopilar información acerca de usted. Por ejemplo, si una página contiene un botón "me gusta" de Facebook, Facebook podría recopilar datos acerca de su visita a esa página, incluso si no hace clic en el botón "me gusta". Para controlar la divulgación de esta información, revise la política de privacidad de la red social correspondiente o cierre sesión en la red social antes de usar nuestros Servicios.

Socios de publicidad en línea

Podríamos usar cookies u otro tipo de tecnología para mostrarle anuncios personalizados cuando visita otros sitios web, los que podrían incluir anuncios basados en los productos y servicios que vio en nuestros Servicios. También permitimos a nuestros socios, incluidos anunciantes y proveedores de servicios, a usar cookies y tecnologías de seguimiento similares cuando usted usa nuestros Servicios. Para obtener más información acerca del uso de cookies y otras tecnologías en nuestros Servicios en línea, consulte el Aviso sobre cookies (<https://es.xfinity.com/privacy/policy/cookie/notice>).

Empresas de estadísticas y medición de audiencias

También colaboramos con socios comerciales que nos ayudan a medir y analizar cómo los clientes utilizan nuestros Servicios. En el caso de video, esto incluye evaluar qué programas son más populares, cuántas personas miran un programa hasta el final, si se miran las publicidades, y qué programación y contenido de video es conveniente ofrecer a través de los Servicios. También incluye determinar cómo prefieren los clientes ver ciertos tipos de programación cuando utilizan nuestros Servicios (por ejemplo, si les gusta ver ciertos programas en vivo o si prefieren verlos por demanda, en dispositivos móviles o en línea). Nuestros socios comerciales pueden compilar esta información en informes con estadísticas combinadas y anónimas que luego se distribuyen comercialmente (por ejemplo, un informe de evaluación que indique qué porcentaje de la audiencia vio un determinado programa en vivo y qué porcentaje lo vio por demanda). Xfinity Stream incluye el software de medición propiedad de Nielsen, que habilita la contribución del usuario a la investigación del mercado, tal como el índice de audiencia de televisión de Nielsen. Visitando www.nielsen.com/digitalprivacy, los usuarios pueden acceder a más información sobre el software de medición y conocer sus opciones con respecto a las mediciones de Nielsen.

Aplicaciones que no son de Xfinity y empresas asociadas

Algunos Servicios le permiten interactuar directamente con una tecnología proporcionada por otras empresas. Esto puede ser mediante el uso de una aplicación de video que no sea de Xfinity disponible a través de nuestros Servicios, o el acceso a nuestros Servicios a través de la plataforma o el dispositivo de otra empresa. Cuando usted usa nuestros Servicios vinculados con una tecnología proporcionada por otra empresa, nos está indicando que interactuemos con esa empresa y esa empresa puede recopilar información sobre usted y nuestros Servicios. Esta Política de Privacidad no regula las prácticas de privacidad de otras empresas. Para obtener más información sobre el uso que esas empresas hacen de su información, consulte sus respectivas políticas de privacidad. Para obtener más información sobre las aplicaciones que no son de Xfinity y que son compatibles con nuestros Servicios de video, ingrese en <https://my.xfinity.com/privacy/providers>. Ciertas aplicaciones también podrían ejecutarse con tecnología proporcionada por Metrological, una empresa independiente de Comcast que no está sujeta a esta Política de privacidad y cuyas prácticas de privacidad se describen en www.metrological.com/privacypolicy.

Agencias de informes del consumidor

Divulgamos información que lo identifica personalmente a agencias de informes del consumidor que podrían estar sujetas a otras leyes, incluida la Ley de informes crediticios imparciales. Estas divulgaciones pueden incluir información que ayude a validar su identidad, como su nombre, domicilio actual y anterior, información de contacto, número de Seguro Social, identificadores emitidos por el gobierno, su historial de pagos y estado de cuenta, y otra información de identificación.

Autoridades de seguridad pública

Si tiene nuestro servicio Xfinity Voice, Comcast divulgará su nombre e información de contacto a autoridades de seguridad pública como los servicios 911/E911 y otros servicios de emergencia relacionados.

Servicios de información sobre abonados, asistencia e identificación de llamadas

Podríamos enviar su nombre, dirección y número de teléfono a editores para que los impriman en directorios y los publiquen en directorios en línea. Una vez que esa información se imprima o se publique en Internet, estará fuera de nuestro control y cualquier persona — incluidos los agregadores de datos — podrá ordenarla, recombinarla y distribuirla nuevamente en diferentes formatos y para diferentes fines, incluidos fines de comercialización. Por un costo adicional, puede optar por tener un número no publicado, lo que significa que Comcast no proporcionará su nombre, dirección ni número de teléfono para que se publiquen en la guía telefónica ni en directorios en línea. También puede optar por publicar su número pero escoger la opción "omitir dirección", lo que significa que no proporcionaremos su dirección postal para su publicación en la guía telefónica ni en directorios en línea. Si contrata el servicio por Internet, seleccione la opción "non-published" (no publicado), de lo contrario, llame a 1-800-XFINITY para adherirse a la opción.

También podríamos distribuir su número de teléfono, nombre y dirección a los proveedores de servicios de información sobre abonados (411). Si tiene un número no publicado, Comcast no distribuirá su número a través de tales servicios. Comcast de todos modos podría compartir su nombre y su dirección con el proveedor del servicio 411 si la ley lo exige (pero el proveedor no estará autorizado a compartir su número no publicado).

Nota: aunque la opción de número no publicado excluye su nombre, dirección y número de teléfono de los directorios impresos y en línea sobre los que Comcast tiene control, un número de teléfono no publicado igual podría formar parte de bases de datos que están fuera del control de Comcast. Esto podría ocurrir, por ejemplo, si su número de teléfono o su dirección actuales se habían publicado anteriormente bajo su nombre, o si usted proporcionó esta información a organismos gubernamentales u otras empresas. Una forma de proteger su privacidad podría ser que solicite la asignación de un

nuevo número de teléfono (con el que su nombre no haya estado asociado anteriormente). También puede optar por activar el bloqueo de la identificación de llamadas o seleccionar la opción "no llamar". La identificación de llamadas proporciona su nombre y número de teléfono a la persona que llama, incluso si tiene un número no publicado. El bloqueo de la identificación de llamadas a nivel de línea bloquea automáticamente la identificación de todas las llamadas que realice desde su número de teléfono registrado. Para activar este bloqueo, llame al 1-800-XFINITY. El bloqueo de la identificación de llamada a nivel de llamada individual solo bloquea su nombre y su número de teléfono en llamadas individuales. Para activar este bloqueo, marque *86 antes de cada llamada que desee bloquear.

Potenciales compradores de nuestra empresa

En caso de una fusión, compra o venta potencial o efectiva de la totalidad o parte de nuestros activos, la información sobre usted y su suscripción se compartirá o transferirá, en la mayoría de los casos, como parte de la transacción. Esto incluye información que lo identifica personalmente. Si esta Política se modifica a causa de tal transacción, consulte la sección "Cambios a esta Política de privacidad", más adelante.

Divulgación a organismos gubernamentales y otras entidades cuando lo exija la ley o sea necesario para proteger a Comcast y otros

En ocasiones, la ley podría exigirnos que divulguemos información sobre usted a terceros. Esto podría ocurrir con o sin su consentimiento y con o sin aviso, de conformidad con los términos de procedimientos legales válidos tales como una citación, una orden judicial o una orden de allanamiento.

Si usted se suscribe a nuestro servicio de Xfinity Video, Comcast podría verse obligada a divulgar información que lo identifique personalmente a una entidad gubernamental en respuesta a una orden judicial. En tal caso, la Ley sobre el servicio de cable (Cable Act) exige que se le dé la oportunidad de presentarse en un proceso judicial para disputar toda demanda hecha en respaldo de la orden judicial y que la entidad gubernamental ofrezca evidencia clara y convincente de sospechas razonables de que usted ha estado involucrado en actividades criminales y que la información que se procura conformaría evidencia de importancia en el caso. Para obtener más información, consulte "Sus derechos y nuestras limitaciones según las leyes federales".

Si usted se suscribe a los Servicios Xfinity Internet, Voice, Mobile o seguridad y automatización de Xfinity Home, Comcast podría verse obligada a divulgar información que lo identifique personalmente a una entidad gubernamental en respuesta a una citación, una orden judicial o una orden de allanamiento, en función del tipo de información que se procure. Es posible que los términos del proceso judicial nos prohíba notificarlo sobre tal divulgación.

Una entidad no gubernamental, tal como un litigante civil, únicamente puede solicitar información que lo identifique personalmente o información sobre el uso que hace de los Servicios Xfinity Video, Internet o Voice con el respaldo de una orden judicial y, de acuerdo con los términos de la Ley sobre el servicio de cable, tenemos la obligación de notificarlo sobre tal orden judicial. Si Comcast se ve obligada a divulgar información que lo identifique personalmente a un tercero privado en respuesta a una orden de un tribunal civil relacionada con estos u otros Servicios, le notificaremos antes de tal divulgación a menos que la ley nos prohíba hacerlo.

También podríamos divulgar información que lo identifique personalmente de conformidad con la ley y sin su consentimiento cuando ello sea necesario para proteger a nuestros clientes, a nuestros empleados o nuestra propiedad; en situaciones de emergencia; o para afirmar nuestros derechos en virtud de nuestros términos de servicio y nuestras políticas.

CÓMO PROTEGEMOS SU INFORMACIÓN

A fin de evitar el acceso, utilización o divulgación no autorizados de cualquier información personal que recopilamos y guardemos, seguimos las prácticas estándares de la industria para asegurar dicha información. Esas prácticas de seguridad incluyen salvaguardias técnicas, administrativas y físicas, que pueden variar según el tipo de la información y cuán delicada o confidencial sea. Si bien tomamos muy en serio la responsabilidad de salvaguardar su información personal, ninguna medida de seguridad es 100% efectiva y no podemos garantizar que estas prácticas eviten todos los intentos no autorizados de acceder a su información, o de utilizarla o divulgarla. Comcast también toma medidas adicionales para aumentar la seguridad y fiabilidad de las comunicaciones de los clientes. No leemos sus emails entrantes ni salientes, archivos adjuntos, correo de video, chats privados ni mensajes instantáneos. No obstante, nosotros (junto con nuestros proveedores de servicios) utilizamos herramientas de software y hardware para ayudar a prevenir y bloquear correos electrónicos "no deseados" (*spam*), virus, spyware y otras comunicaciones y programas dañinos o no deseados que se envíen y reciban por el correo electrónico de Comcast.net y los Servicios de Comcast. Para ayudar a protegerle a usted y a los Servicios contra estas comunicaciones y programas dañinos o no deseados, estas herramientas pueden escanear automáticamente sus correos electrónicos, correos de video, mensajes instantáneos, archivos adjuntos y otros archivos y comunicaciones. No utilizamos estas herramientas para comercialización ni publicidad.

POR CUÁNTO TIEMPO CONSERVAMOS SU INFORMACIÓN

Conservamos su información personal durante diferentes períodos de tiempo según el tipo de información y los requisitos comerciales y legales. Por ejemplo, si es un cliente, guardamos información que lo identifique personalmente mientras esté suscrito a uno o más de nuestros Servicios. Si cancela su suscripción a un Servicio, es posible que sigamos necesitando esa información para requisitos comerciales y legales, como para protegernos contra el fraude, calcular impuestos o responder a solicitudes legales. Otra información se elimina automáticamente después de un determinado período de tiempo, a menudo establecido por ley, a menos que la ley nos obligue a mantenerla por más tiempo, como en el caso de un litigio pendiente. Destruimos, desidentificamos o anonimizamos la información cuando ya no se necesite en forma identificable.

OPCIONES QUE TIENE PARA CONTROLAR NUESTRO USO DE LA INFORMACIÓN PERSONAL

Tiene muchas opciones con respecto a la forma en que nos comunicamos con usted y cómo usamos o compartimos su información. Estas opciones se pueden controlar en el Centro de preferencias de privacidad de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>). Si cambia de opinión, puede actualizar sus preferencias en cualquier momento.

Obtenga más información sobre sus opciones de privacidad

Para su conveniencia, creamos el Centro de preferencias de privacidad de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>), donde usted puede controlar:

- cómo tratamos la información personal vinculada a su cuenta para determinados usos relacionados con la medición de la audiencia, la analítica y los anuncios publicitarios personalizados de productos y servicios de terceros en función de sus intereses
- si utilizamos su información personal sensible para recomendaciones personalizadas, publicidad y marketing
- sus preferencias relativas a las cookies que nuestro sitio web almacena en su navegador cuando lo visita
- sus preferencias relativas a las comunicaciones, ofertas y notificaciones que le enviamos

Puede averiguar más sobre las opciones disponibles y configurar sus preferencias. Si cambia de parecer, puede regresar en cualquier momento para actualizarlas. Algunas de las opciones están limitadas al uso por parte nuestra de cierta información del cliente, por lo cual podría tener que iniciar sesión en su cuenta.

Entendemos que, en ocasiones, podría querer hablar con un representante de Comcast que le ayude con sus decisiones. Puede llamar a Comcast al 1-800-XFINITY y pedirnos que incluyamos su nombre en las listas internas de "no llamar", "no enviar correo" o "no visitar" de la empresa.

Si está suscrito al servicio de voz de Xfinity, es posible que cuando interactúe con uno de nuestros representantes de atención al cliente, por ejemplo, en una llamada, en nuestras oficinas o durante una sesión de chat en línea, le pidamos su consentimiento verbal para el uso de su información de red específica del cliente o "CPNI" con el fin de revisar su cuenta y ofrecerle otros productos y servicios. Si usted da su consentimiento, Comcast podrá utilizar su CPNI solo mientras dure la llamada telefónica o la conversación con el fin de ofrecerle otros servicios. Si usted se niega o restringe su aprobación para que utilicemos su CPNI, no se verá afectado el modo en que le proporcionamos los servicios a los que se ha suscrito, ni en el presente ni en el futuro.

Es posible que haya otras preferencias de privacidad disponibles en los dispositivos que utiliza para acceder a los Servicios.

CÓMO ACCEDER A LA INFORMACIÓN EN NUESTROS REGISTROS Y CORREGIRLA

Como parte de nuestro compromiso con la transparencia, damos acceso a nuestros clientes a la información personal que tenemos sobre ellos. Si se suscribe a sus Servicios, puede ver y corregir su información de identificación personal a través de los servicios de su cuenta en línea.

Algunos estados pueden concederle derechos adicionales, como los descritos en la sección "Información adicional sobre otras leyes y derechos individuales" de esta Política de privacidad.

Todas las personas también pueden solicitar el acceso y la corrección de determinados datos personales, así como la eliminación de ciertos datos personales a través de nuestro Centro de privacidad, ingresando en www.xfinity.com/privacy/requests.

Obtenga más información sobre cómo acceder a la información de cliente que lo identifica personalmente

Si se suscribe a un Servicio Xfinity, puede corregir o actualizar su información visitando <https://es.xfinity.com> o poniéndose en contacto con nosotros como se indica más adelante. Si es cliente de Xfinity Home, también puede corregir o actualizar su información de contacto y emergencia desde la Xfinity Home app. Corrigiremos nuestros registros después de verificar que los cambios solicitados sean pertinentes.

Si se suscribe a los servicios Xfinity TV, Internet o Voice y quiere ver su propia información que lo identifica personalmente (que no sea su información de red específica del cliente o CPNI), puede hacerlo en su oficina local de Comcast. Para ello, envíe un correo electrónico a Comcast_Privacy@comcast.com o llame al 1-800-XFINITY y concédanos un tiempo razonable para encontrar la información (y, de ser necesario, prepararla para que la examine) y para programar una cita durante el horario comercial normal. Deberá identificarse debidamente y únicamente se le permitirá examinar la información en su propia cuenta, no la de otras.

Si solicita por escrito una copia de su CPNI relacionada con los Servicios Xfinity Voice o Mobile, le enviaremos la información pertinente por correo a la dirección que figura en su cuenta o a otra persona

que usted autorice, si creemos razonablemente que la solicitud es válida. Sin embargo, los abonados de nuestros Servicios Xfinity Voice y Mobile deben saber que, en general, no proporcionamos registros de llamadas entrantes ni salientes, ni otros registros que no proporcionemos habitualmente como parte de nuestras actividades comerciales (por ejemplo, como parte de una factura) o que estén disponibles únicamente en nuestros archivos, excepto mediante un proceso legal válido, como una orden judicial. Además, no podremos corregir errores que pudiera haber en los nombres, las direcciones o los números de teléfono de los clientes que aparezcan (o se hayan omitido) en los directorios de nuestros proveedores, hasta tanto no se publique la siguiente versión de tales directorios. Tampoco podríamos tener control sobre la información que figure en los directorios o en las listas de servicios de información telefónica de editores o proveedores que no sean de nuestra propiedad. Siempre que la ley lo permita, Comcast se reserva el derecho de cobrarle una tarifa razonable por obtener y fotocopiar los documentos o información que usted solicite.

SUS DERECHOS Y NUESTRAS LIMITACIONES SEGÚN LAS LEYES FEDERALES

La Ley federal sobre el servicio de cable impone limitaciones a nuestra recopilación y divulgación de información que lo identifique personalmente cuando se suscribe a Servicios que emplean la infraestructura del sistema de cable de Comcast. La Ley de comunicaciones impone restricciones a nuestro uso y divulgación de su CPNI cuando usa Servicios que se consideran servicios de telecomunicaciones.

Obtenga más información sobre sus derechos y nuestras limitaciones en virtud de las leyes federales

La Ley de Cable y la Información de Identificación Personal

Esta Política de privacidad está diseñada para cumplir con la Sección 631 de la Ley de Política de Comunicaciones por Cable de 1984, según enmendada, (la "Ley de Cable"). La Ley de Cable permite que Comcast use el sistema de cable para recopilar información de identificación personal sobre usted. La información de identificación personal es información que lo identifica a usted específicamente, no incluye información no identificativa, anónima, agregada u otro tipo de datos que no lo identifican a usted. Podremos recopilar información que lo identifique personalmente cuando sea necesario para prestarle servicios de cable u otros servicios y para detectar una recepción o utilización no autorizada de tales servicios. Con su previa autorización por escrito o electrónica, también podremos utilizar el sistema de cable para recopilar información de identificación personal sobre usted para otros fines. La Ley de Cable también permite a Comcast divulgar información de identificación personal si tal divulgación es necesaria para proporcionar o conducir una actividad legítima de negocios relacionada con el servicio de cable u otros servicios que le suministramos, si lo requiere la ley o un proceso legal o si está limitada a su nombre y dirección, sujetos a su consentimiento con opción de exclusión. La frecuencia de cualquier divulgación de información de identificación personal varía de acuerdo con nuestras necesidades y actividades comerciales, según lo descrito en esta Política.

Si usted cree que ha sido perjudicado por una acción nuestra en violación de la Ley de Cable o de otra ley aplicable, le pedimos que nos contacte directamente en Comcast_Privacy@comcast.com para resolver su consulta o inquietud. También puede afirmar las limitaciones que nos impone la Ley de Cable, según correspondan a su información de identificación personal, por medio de una querrela civil para cubrir daños y perjuicios, honorarios de abogados y costos de litigación. También podría tener otros derechos y recursos de conformidad con las leyes federales y otras leyes también pertinentes. Esta Política de privacidad no sustituye, acrecienta ni modifica ningún acuerdo de arbitraje que lo obligue como suscriptor a uno o más de los Servicios.

La Ley de Comunicaciones y CPNI

La Sección 222 de la Ley de Comunicaciones de 1934, según enmendada (la "Ley de Comunicaciones"), dispone protecciones adicionales de privacidad para información sobre la cantidad, configuración técnica, tipo, destino, ubicación y monto de su utilización de los servicios de telecomunicaciones, incluyendo los servicios de Xfinity Voice y Mobile, y la información sobre esos servicios que contiene su factura por los mismos. Esa información se conoce como información de red específica del cliente o CPNI. La CPNI no incluye su nombre, dirección o número de teléfono, que en la Ley de Comunicaciones se define como "información de la lista de suscriptores". Sin embargo, se considera de otra forma que esos datos conforman información de identificación personal.

Si usted es cliente del servicio de Xfinity Voice o Mobile, u otro Servicio que esté sujeto a esos requisitos, tiene el derecho, y Comcast la obligación, conforme a la Ley de Comunicaciones y otras leyes aplicables, de proteger la confidencialidad de su CPNI. Además, las regulaciones de la FCC disponen opciones y protecciones adicionales de privacidad con respecto a la utilización y el intercambio de CPNI que corresponden específicamente a nuestros servicios de Voice y Mobile y que describimos en esta Política.

La Ley de Privacidad del Consumidor de California define "información personal" como "información que identifica a un determinado consumidor u hogar, se relaciona con este, lo describe, o podría asociarse o vincularse razonablemente con él, de forma directa o indirecta".

Para ejercer estos derechos, usted o su agente autorizado pueden enviar una solicitud ingresando en www.xfinity.com/privacy/requests o llamándonos al 1-844-963-0138. Para excluirse de la publicidad dirigida y de la venta o compartición de información personal, así como para establecer preferencias sobre nuestro uso de la información personal sensible, visite la Página de preferencias de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>) y haga las selecciones correspondientes en el menú Configuración de sus dispositivos relevantes, incluido X1, Flex, XClass y Xumo TV.

Los residentes del estado de California también tienen derecho a solicitar información sobre terceros a los que la compañía ha revelado ciertas categorías de información personal durante el año anterior para fines de marketing directo de terceros en virtud de la ley de California "Shine the Light" (Cal. Código civil §1798.83). Según esta ley, información personal se refiere a "cualquier información que, cuando se divulgó, identificó o describió a un individuo, o pudo asociarse con él". No divulgamos este tipo de información personal a terceros para sus propios fines y le permitimos excluirse de la divulgación de información personal no identificable. Recopilación, uso y conservación de la información personal

La sección general de esta Política de privacidad describe, en categorías fáciles de entender, los tipos de información personal que recopilamos, cómo la recopilamos y cómo la usamos. La Ley de Privacidad del Consumidor de California (California Consumer Privacy Act, CCPA) exige que divulguemos la información personal que hemos recopilado sobre nuestros clientes en las siguientes categorías. Algunas de las categorías incluyen tipos muy diferentes de información en la misma categoría, por lo que cierta información personal puede incluirse en varias categorías. Cómo usamos y durante cuánto tiempo conservamos la información de cada categoría puede variar según la categoría y no todos los tipos de información de una misma categoría se usarán para todos los fines que se enumeran.

La ley de California exige que brindemos información sobre los criterios que usamos para determinar el tiempo durante el que conservamos la información personal. Utilizamos los siguientes criterios para determinar el tiempo durante el que conservamos la información personal:

- El fin comercial para el que la información se usa y el tiempo durante el que la información se necesita para alcanzar esos objetivos;
- Si debemos conservar la información para cumplir con obligaciones legales o compromisos contractuales, o si se necesita de otra forma para investigar robos u otras actividades ilegales, para garantizar un entorno virtual seguro o para proteger la salud y la seguridad;
- El impacto de la privacidad de la conservación continua en el consumidor, incluidas sus expectativas probables a la luz de la sensibilidad de la información y nuestros Compromisos de privacidad;
- La manera en que la información se conserva y fluye por nuestros sistemas, y cómo administrar mejor el ciclo de vida a la luz del volumen y la complejidad de los sistemas de nuestra infraestructura.

Los datos individuales de la información personal, como los enumerados arriba, pueden existir en distintos sistemas que se usan para diferentes fines comerciales y legales. Se puede aplicar un período de conservación máximo diferente a cada caso de uso de la información. Ciertos datos individuales también pueden guardarse junto con otros datos individuales, por lo que el fin para el que ese conjunto de información se usa puede determinar el período de conservación máximo.

Compartición y venta de información personal y derecho de exclusión

La CCPA exige a las compañías que incluyan ciertas divulgaciones sobre su derecho de exclusión respecto de la "venta" o "compartición". Para excluirse de la venta o compartición de información no identificatoria, visite la Página de preferencias de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>) y haga las selecciones correspondientes en el menú Configuración de sus dispositivos relevantes, incluido X1, Flex, XClass TV y Xumo TV. Los residentes de California tienen el derecho de solicitar que les informemos qué información personal recopilamos, usamos y vendemos, así como el derecho de solicitar que eliminemos cierta información personal que hemos recopilado acerca de ellos. Si conservamos información personal que no es exacta, los residentes de California tienen derecho a solicitar que la corrijamos. Para ejercer sus derechos, usted o su agente autorizado pueden enviar una solicitud ingresando en www.xfinity.com/privacy/requests o llamándonos al 1-844-963-0138.

Para su seguridad y para garantizar que ningún tercero no autorizado pueda acceder a su información personal, le pediremos que verifique su identidad antes de atender sus solicitudes. Si actualmente es cliente o todavía tiene acceso a su cuenta, le pediremos que se autentique a través de su cuenta de Xfinity. Si no tiene una cuenta con nosotros, deberá proporcionarnos una dirección de correo electrónico y un número de teléfono móvil para iniciar el proceso de verificación. También podría tener que presentar una identificación válida, con foto, emitida por el gobierno. Si solicita acceso en nombre de otra persona, deberá verificar su identidad y demostrar que cuenta con la autorización del individuo a cuya información personal desea acceder.

En la respuesta a su solicitud de acceso, podríamos omitir cierta información, como información que podría afectar la privacidad de otros o interferir con exigencias legales. Del mismo modo, podría haber motivos por los que no podamos atender sus solicitudes de eliminación, como la necesidad de conservar su información personal para brindarle un servicio o para cumplir con una obligación legal. En determinados casos, es posible que no recopilamos suficientes identificadores que hagan coincidir la información de nuestros registros con su solicitud.

Derecho a restringir el uso de información personal sensible

Los residentes de California tienen el derecho a solicitarnos que restrinjamos nuestro uso de la información personal sensible. Puede limitar nuestro uso y divulgación de su información personal sensible para fines de recomendaciones personalizadas, marketing y publicidad a través de la Página de preferencias de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>).

Derecho a recibir información relativa a la participación en programas para compartir datos a cambio de incentivos económicos

Podríamos organizar promociones ocasionalmente y pedirle que nos comparta información personal a cambio de descuentos. Siempre le daremos avisos claros sobre este tipo de programas cuando se registre, y la participación siempre será voluntaria. Si cambia de parecer, siempre podrá excluirse y el hecho de no participar no afectará su uso de nuestros Servicios.

INFORMACIÓN ADICIONAL SOBRE LOS DERECHOS DE PRIVACIDAD DE LOS RESIDENTES DE MAINE

En términos generales, la Ley de Maine sobre la Privacidad del Cliente en los Servicios de Acceso a Internet de Banda Ancha prohíbe que los proveedores de servicios de acceso a Internet de banda ancha (en adelante, los "Proveedores") usen, divulguen, vendan o permitan el acceso a la "información personal del cliente" sin su consentimiento expreso y afirmativo, el cual puede revocarse en cualquier momento.

Sin embargo, este consentimiento no será necesario para la recopilación, la conservación, el uso, la divulgación, la venta o el acceso a la información personal del cliente cuando estas actividades se requieran para los siguientes fines:

- Prestar el servicio del cual se ha obtenido dicha información o proveer los servicios necesarios para su prestación;
- Anunciar u ofrecer al cliente los servicios del proveedor relacionados con comunicaciones;
- Cumplir con una orden judicial legal;
- Iniciar, presentar, facturar y cobrar el pago de los servicios de acceso a Internet de banda ancha;
- Proteger a los usuarios de los servicios del proveedor o de los servicios de otros proveedores contra la suscripción o el uso fraudulento, abusivo o ilegal de tales servicios; o
- Proporcionar información de geolocalización sobre un cliente:
 - A un centro público de atención de llamadas de seguridad; un proveedor de servicios médicos de emergencia o de despacho de emergencia; un oficial de seguridad pública, cuerpo de bomberos o policía; o un centro hospitalario de emergencias o centro de traumatismos con el fin de responder a la llamada de un cliente para recibir servicios de emergencia; o
 - A un proveedor de servicios de información o de gestión de bases de datos con el único fin de ayudar en la prestación de servicios de emergencia en respuesta a una emergencia.

Ningún proveedor podrá negarse a prestar servicios a un cliente por no dar su consentimiento cuando se requiera. Tampoco podrá cobrar multas ni ofrecer descuentos en función de la decisión del cliente de otorgar o no su consentimiento.

El proveedor adoptará medidas razonables para proteger la información personal del cliente contra el uso, la divulgación o el acceso no autorizado, teniendo en cuenta la naturaleza y el alcance de las actividades del proveedor, la sensibilidad de los datos que recopila, la envergadura del proveedor y la viabilidad técnica de las medidas de seguridad.

Además, el proveedor podrá usar, divulgar, vender o permitir el acceso a información del cliente que no sea información personal, a menos que el cliente elija lo contrario.

La Ley de Protección de Datos del Consumidor de Virginia define "Datos personales" como "toda información que está vinculada o pueda vincularse razonablemente con una persona natural identificada o identificable". Cuando usamos el término "información personal" en nuestra Política de privacidad, incluye los datos personales que esta definición abarca.

Para ejercer sus derechos de acceso, eliminación y corrección, usted o su agente autorizado pueden **enviar una solicitud** ingresando en www.xfinity.com/privacy/requests o llamándonos al 1-844-963-0138. INFORMACIÓN ADICIONAL SOBRE LOS DERECHOS DE PRIVACIDAD DE LOS RESIDENTES DEL EEE, SUIZA Y REINO UNIDO

El Reglamento General de Protección de Datos (General Data Protection Regulation, RGPD) de la UE y el Reglamento General de Protección de Datos de Reino Unido les otorgan a los residentes del EEE, Reino Unido y Suiza el derecho a recibir avisos sobre los fines para los que se procesan sus datos y nuestro fundamento legal para dicho procesamiento, las categorías de los destinatarios de su información personal, si la información personal se transferirá fuera de estas jurisdicciones y los criterios que usamos para determinar durante cuánto tiempo debemos conservar sus datos. También tiene derecho a recibir avisos sobre sus derechos. Estos derechos se aplican a todos los residentes de estos lugares, independientemente de si usted es un cliente, un contacto comercial o un miembro de la fuerza laboral.

El RGPD define "Datos personales" como "toda información que está vinculada o puede vincularse razonablemente con una persona natural identificada o identificable". DERECHO A SER INFORMADO

La sección general de esta Política de privacidad describe, en categorías fáciles de entender, los tipos de información personal que recopilamos, cómo la recopilamos y cómo la usamos. Para obtener información sobre nuestras prácticas de conservación, consulte la sección "Por cuánto tiempo conservamos su información" más arriba.

Fundamento legal para el procesamiento

Utilizamos diversos fundamentos legales para procesar su información personal. Principalmente, procesamos su información personal porque es necesario para ejecutar nuestro acuerdo de prestación de Servicios con usted o porque el procesamiento es necesario para nuestros intereses legítimos, toda vez que dichos intereses no anulan sus derechos y libertades fundamentales relacionados con la privacidad de los datos. Cuando utilizamos el interés legítimo como fundamento legal, nuestro interés legítimo es necesario para promocionar nuestro negocio, mejorar los servicios que le ofrecemos, así como su experiencia cuando interactúa con nosotros y garantizar una gestión operativa eficaz y la administración interna de nuestra compañía, además del ejercicio de nuestros derechos. En casos limitados, podemos utilizar otros fundamentos legales para procesar su información personal, incluso cuando sea necesario para cumplir con una obligación legal o cuando brinda su consentimiento para el procesamiento.

Transferencia transfronteriza de información

Determinada información personal puede transferirse a Estados Unidos y otros países, o procesarse en ellos, en los que tenemos establecimientos o en los que nos involucramos con proveedores de servicios. La legislación de Estados Unidos sobre información personal puede ser diferente a la legislación de su estado o país. Implementamos resguardos adecuados para proteger su información personal según lo exigido por la legislación relevante, incluidas las medidas complementarias, si transferimos su información personal fuera del EEE, Reino Unido o Suiza.

DERECHO DE ACCESO, DERECHO A LA PORTABILIDAD DE DATOS Y DERECHO A SOLICITAR LA CORRECCIÓN O ELIMINACIÓN DE LA INFORMACIÓN

Tiene derecho a solicitarnos que hagamos lo siguiente:

- Le demos acceso a su información personal que conservamos en nuestros sistemas y una copia de ella;
- Corrijamos o actualicemos la información personal inexacta o incompleta que tenemos sobre usted;
- Eliminemos toda la información personal o parte de ella que tenemos sobre usted (por ejemplo, si ya no es necesaria para prestarle los Servicios a usted).

Para enviar una solicitud a fin de ejercer sus derechos, tenga a bien completar el formulario disponible en www.xfinity.com/privacy/requests. Podemos tener un motivo de conformidad con la ley por el que no tenemos que cumplir con su solicitud o por el que podemos cumplir con ella de una manera más limitada que la que usted anticipó. De ser así, se lo explicaremos en nuestra respuesta. Tenga en cuenta que, para verificar su identidad, es posible que le pidamos que nos brinde información antes de acceder a los registros que contienen información sobre usted. En determinados casos, es posible que no recopilemos suficientes identificadores que hagan coincidir la información de nuestros registros con su solicitud.

DERECHO A OBJETAR, RETIRAR EL CONSENTIMIENTO Y RESTRINGIR EL PROCESAMIENTO

Tiene derecho a solicitarnos que hagamos lo siguiente:

- Dejemos de usar, y garanticemos que todos los terceros dejen de usar, parte o la totalidad de su información personal (por ejemplo, si ya no tenemos un fundamento legal para procesarla);
- Dejemos de contactarlo con mensajes promocionales.

Puede ejercer estos derechos visitando la Página de preferencias de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>) y haciendo las selecciones correspondientes en el menú Configuración de sus dispositivos relevantes entregados por Comcast/Xfinity.

DERECHO DE EXCLUSIÓN DEL PROCESAMIENTO AUTOMATIZADO

Tiene derecho a excluirse del procesamiento automatizado cuando dicho procesamiento produciría efectos legales u otros efectos igualmente significativos. No obstante, no usamos la información personal de los residentes del EEE, Suiza y Reino Unido para tomar decisiones automatizadas sobre usted que tendrían estos efectos.

DERECHO A PRESENTAR UNA RECLAMACIÓN

Tiene derecho a presentar una reclamación ante su autoridad de protección de datos local sobre nuestro uso de su información personal.

CAMBIOS A ESTA POLÍTICA DE PRIVACIDAD

Podremos cambiar esta Política de privacidad con el tiempo a medida que cambien nuestras necesidades comerciales y las de nuestros clientes. Si hacemos cambios sustanciales, que amplíen nuestros derechos de uso de la información personal que hemos recopilado previamente sobre usted, le notificaremos por escrito, electrónicamente o a través de otros medios para que pueda tomar las decisiones necesarias sobre su uso continuo de nuestros Servicios.

MÁS INFORMACIÓN ACERCA DE ALGUNOS TÉRMINOS Y FRASES UTILIZADOS EN ESTA POLÍTICA

A continuación, encontrará ejemplos ilustrativos y más información acerca de los términos utilizados en esta política que tienen el símbolo ⓘ a su lado.

Información personal: Incluye toda información que esté vinculada o pueda vincularse razonablemente con usted.

Productos, servicios, redes y plataformas: algunos ejemplos sobre cuándo corresponde esta política son: Xfinity® TV y Streaming, Xfinity Internet, xFi y Xfinity Advanced Security, Xfinity Voice, Xfinity Stream app, servicio de Xfinity WiFi, Xfinity Home, Xfinity Mobile, Xfinity Flex, XClass TV, Servicios de Comcast Business, Effectv, Xumo, Xumo TV y Xumo Play.

Otros productos, servicios, sitios web y aplicaciones: por ejemplo, si utiliza la aplicación Peacock en su teléfono X1 o Xfinity Mobile, la política de privacidad de NBCUniversal corresponderá a la información que se recopile a través de esa aplicación.

Terceros: se refiere a otras empresas que recopilan o conservan información acerca de usted y la comparten con nosotros, como agencias crediticias que comparten información con nosotros cuando usted se registra en un servicio y presta su consentimiento para una evaluación crediticia.

Responder a sus solicitudes: para brindarle mejor atención, llevamos un registro de las oportunidades en las que nos contactó, cuál fue el asunto y cuál es la mejor forma de comunicarnos con usted.

Adaptar nuestros servicios: recopilamos datos de terceros para entender mejor sus intereses y acercarle ofertas personalizadas.

Fotografías: por ejemplo, podremos tomar una fotografía de su porche o entrada junto con el equipo que le entregamos o fotografías aéreas de nuestra red con el fin de evaluar la seguridad y conformidad de la misma.

Actividad de selección y visualización de videos: cuando usa los servicios de video que ofrecemos directamente, como Xfinity TV y la Xfinity Stream app, sabemos qué video seleccionó para poder entregárselo. Cuando accede al contenido de aplicaciones de terceros en la plataforma de X1, Flex, XClass o Xumo TV, solo sabremos que usted ha accedido a dicha aplicación, no lo que usted hace dentro de dichas selecciones de video, a menos que usted haya permitido compartir esta información.

Para ayudarnos a autenticarlo: algunos de nuestros servicios solo se ofrecen en ciertas regiones geográficas, por lo cual, para usar esos servicios o acceder a información relacionada, necesitamos saber que se encuentra físicamente en su dirección de servicio.

Información proporcionada cuando usted integra otros servicios con nuestros Servicios: por ejemplo, si usted descarga o utiliza las herramientas o funciones de otra empresa que son compatibles con nuestros Servicios, dicha empresa recopilará información sobre su uso de esas herramientas y funciones, y podrá compartir información adicional con nosotros.

DNS: el "directorio de direcciones" de Internet se conoce como "Domain Name System". Sistema de Nombres de Dominio o DNS. Así es como las personas navegan en Internet. Millones de clientes de Comcast consultan miles de millones de direcciones en Internet todos los días. Eliminamos las consultas DNS generadas por nuestros clientes de Internet cada 24 horas, excepto en casos muy específicos, cuando necesitemos investigar un problema de seguridad o rendimiento de la red, protegernos contra amenazas de seguridad o atender una solicitud legal legítima. Usted puede decidir mantener esa información en su cuenta durante más tiempo al habilitar ciertas características, como nuestros servicios avanzados de seguridad que le permiten ver los sitios web bloqueados durante un máximo de 30 días. Sin embargo, nunca hemos usado esta información para ningún tipo de comercialización o publicidad ni la hemos vendido a terceros.

Actividad de tráfico de red: qué sitios visita en Internet es asunto suyo, no nuestro. Limitamos el uso de nuestra parte de la actividad de tráfico de red de los clientes para estudiar datos de la red con el fin de evaluar su rendimiento; entender tendencias; anticipar la demanda y desarrollar, probar y mejorar nuestros productos y servicios; y con fines de fraude y seguridad. Hacemos esto con una muestra de datos de la red y solo relacionamos la actividad de la red de nuestros clientes con personas concretas cuando es necesario por motivos de seguridad o fraude, o cuando lo exige la ley.

Xfinity Mobile: no vendemos ni jamás hemos vendido información sobre su ubicación cuando usa nuestro servicio Xfinity Mobile.

Aplicaciones móviles: si usa un dispositivo móvil para acceder a nuestros Servicios, podríamos necesitar conocer la ubicación de su dispositivo móvil u otro dispositivo en el que haya instalado una de nuestras aplicaciones para ciertas funciones, como conectarlo a un punto de acceso de Xfinity WiFi cercano. Antes de hacerlo, le pediremos su consentimiento para recopilar y usar información de geolocalización precisa. Usted puede usar las opciones de configuración de su dispositivo para negarse a la recopilación de esta información (consulte la sección "Sus opciones") pero, si lo hace, ciertas funciones y características de los Servicios podrían verse limitadas.

Información demográfica: información como el sexo, la edad y los registros censales.

Información sobre intereses: información que indica sus intereses en temas como deportes, viajes o cocina.

Información sobre compras: información proveniente de programas de fidelidad o registros públicos.

Facebook: si interactúa con nuestros Servicios mediante un dispositivo con el que también interactúa con redes sociales, o si interactúa con nosotros mediante una función de una red social como un complemento (por ejemplo, un botón "me gusta" de Facebook), podría autorizarnos a tener acceso continuo a cierta información de su perfil en dicha red social (como su nombre, su dirección de correo electrónico, su lista de amigos, su foto, su edad, su sexo, su ubicación, su cumpleaños, su ID en la red social, su ciudad actual, las personas y los sitios que sigue, etc.). Si no quiere que una red social recopile información como la mencionada sobre usted o no quiere que la comparta con nosotros y otros terceros, examine la configuración de privacidad y las instrucciones de la red social correspondiente antes de interactuar con nuestros Servicios.

Medición e informes estadísticos para nosotros y para terceros: nosotros y los proveedores de servicios que operan en nuestro nombre podríamos combinar y usar información de nuestros registros comerciales (incluida información sobre cuentas, datos sobre la actividad de video y otra información sobre el uso) con información de terceros con el fin de crear informes de mediciones y estadísticas. Estos informes están anonimizados o combinados y no contienen ninguna información que lo identifique personalmente.

Usamos estos informes para muchos de los fines descritos en la Política de privacidad, como para mejorar los Servicios, crear y ofrecer publicidad más personalizada en nombre de Comcast y otros terceros, determinar si los mensajes de un anunciante se visualizan y cómo, y analizar la efectividad de ciertos anuncios en los Servicios de Comcast y en otros servicios y plataformas. También usamos estos informes para trabajar con grupos académicos o de investigación y para otros usos que nos ayudan a desarrollar y financiar mejoras en los servicios y la infraestructura. Podríamos compartir estos informes con programadores, anunciantes u otros. Para obtener más información sobre las opciones que tiene en relación con el uso de su información con estos fines, consulte el Centro de preferencias de privacidad de Xfinity (<https://es.xfinity.com/privacy/your-privacy-choices>).

Configuración de opciones de inclusión o exclusión: por ejemplo, si compartimos con otros información personal que no lo identifica personalmente para uso de tales terceros, primero le daremos la opción de excluirse. En otros casos, usted podría querer que compartamos su nombre, dirección física o dirección de correo electrónico con otra empresa (por ejemplo, cuando se suscribe a un servicio de un tercero a través de una de nuestras plataformas, como la X1, Flex, XClass o Xumo TV). En tales casos, nos aseguraremos de que nos dé instrucciones claras antes de compartir esa información.

Otra empresa: por ejemplo, cuando se suscribe a un servicio de un tercero a través de nuestra X1 o Flex, podría pedirnos que compartamos información de contacto para ayudarle a registrarse o iniciar sesión. O bien, si le interesara un producto que vio anunciado en televisión y quisiera compartir su información de contacto para que el proveedor del producto le envíe más información, podríamos brindarle esa opción.

Aplicación de video que no es de Xfinity: por ejemplo, cuando utiliza Peacock en la plataforma X1, Flex, XClass o Xumo TV.

Plataforma o dispositivo de otra empresa: por ejemplo, cuando utiliza la Xfinity Stream app desde dispositivos operados por otras empresas, como un dispositivo Apple o Android.

Varir (de una categoría a otra): por ejemplo, la CCPA coloca el nombre y el número de seguro social en la misma categoría. Podríamos usar su nombre para enviarle material de comercialización sobre nuestros productos, pero no usaremos su número de seguro social para fines de comercialización ni publicidad.

Información personal del cliente: (1) Información de identificación personal de un cliente de banda ancha, incluidos, entre otros, el nombre del cliente, información de facturación, el número del seguro social, la dirección de facturación y datos demográficos; e (2) Información sobre el uso del servicio de acceso a Internet de banda ancha por parte de un cliente.

This notice is required by the Rules of the Federal Communications Commission. Comcast Digital Voice service (CDV) may have the 911/E911 limitations listed below. I understand and agree to the following: In order for my 911 to be properly directed to emergency services, Comcast must have my correct service address. If I move CDV to a different address without Comcast's approval, 911 calls may be directed to the wrong emergency authority, may transmit the wrong address, and/or CDV (including 911) may fail altogether. CDV uses the electrical power in my home. If there is an electrical power outage, 911 calling may be interrupted if the battery back-up in the associated multimedia terminal adapter is not installed, fails or is exhausted after several hours. Calls, including calls to 911, may not be completed if there is a problem with the network facilities, including network congestion, network/equipment/power failure, or another technical problem. Prior to changing my address, or if I have any 911-related questions, I will call 1-800-Comcast. Comcast will need several business days to update my service address in the E911 system. USE OF CDV AFTER DELIVERY OF THIS DOCUMENT CONSTITUTES YOUR ACKNOWLEDGEMENT OF THE E911 NOTICE ABOVE. By signing below, I represent that I am at least 18 years old; I am the owner of, or tenant in, the premises at the above address and that the installation, repair or other work provided has been satisfactorily completed. If this work order relates to the initial installation of services, I acknowledge receipt of the Comcast Welcome Kit which contains the Comcast Residential Customer Agreement, the Comcast Cable Subscriber Policy Notice and other important information about the services. I agree to be bound by the Comcast Customer Agreement which constitutes the agreement between Comcast and me for the services as well as any applicable Comcast acceptable use policies. If other non-installation work was provided, I agree to be bound by the current Comcast Customer Agreement as well as any applicable Comcast acceptable use policies. I authorize Comcast to obtain a credit report from a consumer credit agency in connection with the provision of the services I am receiving. IF I SUBSCRIBE TO COMCAST DIGITAL VOICE, I ACKNOWLEDGE MY RECEIPT AND UNDERSTANDING OF THE E911 NOTICE ABOVE.

Hi! Maura Healy has declared a state of emergency in Massachusetts due to the state being flooded with illegal aliens.

Has Merrimac allowed any illegal aliens to be housed in our town? And/or does the town have any plans to house any illegal aliens?

Hi Ann Marie

Per our discussion, see attached addition to the IMA in track changes paragraph 5. This change is due to the fact that you have an even number of municipalities and there needs to be an odd number of votes per the statute. We have been using the shared-services coordinator as a tie breaker for these purposes in other groups. As I said in our call, happy to assist in any way.

WHEREAS, the City of Amesbury was awarded a Public Health Excellence for Shared Services grant by the Commonwealth of Massachusetts (the “Grant Program”) to create a cross-jurisdictional public health services sharing program consistent with the recommendations of the Special Commission on Local and Regional Public Health’s (SCLRPH) June 2019 Report; and

NOW THEREFORE, the municipalities, in mutual consideration of the covenants contained herein, intending to be legally bound thereby, agree under seal as follows:

1. The Public Health Services Collaborative. There is hereby established a collaborative of the Municipalities to be known as the (“Greater Amesbury PHE Group”), which shall hereinafter be referred to as the “Collaborative.” The Collaborative, acting by and through an Advisory board (“Advisory Board”) as established in Section 5 of this Agreement, and Shared Services Manager, supervised by the Program Manager will coordinate, manage, and direct the activities of the parties with respect to the subject matter of the Grant Program, this Agreement, and the agreement between the (City of Amesbury), and the Commonwealth of Massachusetts, attached hereto as Exhibit A, the terms of which are expressly incorporated herein and shall bind all parties hereto, and any other programs and services related thereto. The purpose of the

2. Term. The term of this Agreement shall commence on the date set forth above and shall expire when the funds for the Grant Program are no longer available, or when terminated in accordance with this Agreement, but in no event shall the Term of this Agreement exceed twenty-five (25) years unless permitted by statute. 4. Shared Services Coordinator. The (City of Amesbury), as Lead Municipality, shall hire and employ a Shared Services Coordinator who may or may not be the (City of Amesbury)’s Director of Public Health, and, through the Shared Services Coordinator and its Health Department, shall perform all necessary fiscal and administrative functions necessary to provide the services contemplated under this Agreement, and shall be the holder of all grant funds related to the Grant Program, and may retain up to 15% of the funds received through the Grant Program for wages and resources related to the performance of such duties, in accordance with the Grant Program Scope of Services, attached hereto as Exhibit B and incorporated herein. The Shared Services Coordinator shall report to the Advisory Board and shall keep records of all funding and expenditures for review by the Board and provide periodic financial status updates. For the purposes of employment status and health, retirement and other benefits, and immunities and indemnification as provided by law, the Shared Services Coordinator and any participating Collaborative staff working on behalf of the Collaborative, or the Advisory Board shall be considered employees of (City of Amesbury) and shall be accorded all benefits enjoyed by other (City of Amesbury) employees within the same classification as they are or shall be established.

6. Shared Services Program Participation. Each Municipality as part of this Agreement shall participate in the Shared Services Program as follows:
- a. Each Municipality will consent to the Collaborative's duly-authorized agents and representatives exercising the powers provided for herein and by the Advisory Board within the boundaries of said Municipality and will direct its agents and employees to work in good faith with the Collaborative's health agents, nurses, and any other employees the Collaborative may employ from time to time.
 - b. Each Municipality will be a member of the Advisory Board as established pursuant to this Agreement, and appoint and maintain two Advisory Board representatives at all times.
 - c. Each Municipality will use best efforts to ensure that a representative of the Municipality will attend all Advisory Board meetings (either in-person or via remote access) throughout the life of this Agreement.
 - d. Each Municipality will use best efforts to ensure that a representative of the Municipality will attend all training sessions which are offered in conjunction with the Grant Program geared towards stakeholders under the Program, as required by the DPH or its representative.
 - e. Each Municipality will assist in collecting the necessary data as agreed to by the Committee and pursuant to the data reporting policy established pursuant to Section 5 of this Agreement to help meet the goals of the Shared Services Program and the Grant Program.  - f. Each Municipality will request from the appropriate legislative body appropriation for any services, costs and expenses associated with the Collaborative and not covered by the Grant Program. Notwithstanding this provision or any other terms of this Agreement, no party shall be obligated to incur any financial cost above the amount made available herein through grants and gifts or other sources, unless the financial obligation is supported by an appropriation made in accordance with law.
 - g. Each Municipality will help promote and market the Shared Services Program and its services within their community.
7. Payment and Funding. Pursuant to G.L. c. 40, §4A, any funds received by the Shared Services Program, Advisory Board, or the (City of Amesbury) pursuant to this Agreement, shall be deposited with the treasurer of the (City of Amesbury) and held as a separate grant account and may be expended, with the approval of the Advisory Board, under the provisions of G.L. c. 34, §23 and G.L. c. 44, §53A, for contribution

toward the cost of the Shared Services Program and in compliance with established grant guidelines from grantors only.

The Advisory Board may authorize a disbursement of funds for any shared contractor, salary, or wages consistent with the terms of this Agreement, and/or for any program, service or benefit that is consistent with the terms of this Agreement.

Except for the 15% of Grant Program funding for administrative costs that the (City of Amesbury) may retain pursuant to Section 4 of this Agreement, a Municipality may draw on grant funds individually, with prior approval by the Advisory Board, and provided such funds are available, by submitting invoices to the Shared Services Coordinator for reimbursement from the funds, for expenditure consistent with the purposes of the Shared Services Program and applicable grant funding guidelines.

The (City of Amesbury), as the holder of Grant Program funds, will pay the invoice within 30 days, subject to the availability of funds; provided, however, that the (City of Amesbury) shall not be obligated to supply any funding or incur any cost in excess of the amounts made available to the Advisory Board and the Shared Services Program through the Grant Program and/or any other and gifts, grants, or other sources appropriated for the purposes of this Agreement. Individual municipal costs incurred outside the scope of this Agreement and specific to the needs of that Municipality will be borne solely by that Municipality. Any funds contributed by the Grant Program shall only be used for shared public health services consistent with the purposes of this Agreement.

Annually, the Advisory Board will develop and approve a public health services budget for contractual shared services. Initially, these services are funded by a 3-year Public Health Excellence Grant from the Department of Public Health administered by the (City of Amesbury). It is the intention of the (City of Amesbury) to seek additional grant funds to sustain these services but if that is unsuccessful, participating Municipalities will revisit this Agreement and determine whether they will allocate municipal funds to continue participation. The Shared Services Coordinator will provide each Municipality with sufficient notice to allow that Municipality's funding authority to authorize any such expenditure. Until grant funds are expended, there will be no cost to participating municipalities. Execution of this Agreement does not obligate any other participating Municipality to fund the Grant Program and a mutually acceptable written contract amendment would be required to do so.

Pursuant to G.L. c. 40, §4A, any party may, but shall not be required to, raise money by any lawful means to further the purposes of the Shared Services Program and any such funds shall be held by the (City of Amesbury) and expended pursuant to the terms of this Agreement.

8. Other Municipal Services. The Municipalities of the Collaborative may request the Advisory Board to add or remove associated services to be delivered as part of the

Shared Services Program, and such shall take effect only after this Agreement is so amended in writing and approved by each Municipality. The Municipalities are not limited exclusively to the Grant Program and are not required to use all services of the Grant Program. Municipalities may apply for other grants outside the Collaborative.

The Collaborative through a vote of the Advisory Board may apply for other grants, opportunities, funds, and awards for shared services on behalf of the Municipalities. The Advisory Board must approve any and all grants or grant applications submitted as a Collaborative. The Advisory Board may appoint other Municipalities to act as host agencies for these other grant opportunities and the Municipalities agree that this Agreement shall be amended to account for any associated grant terms and conditions.

9. Employees. Employees and personnel of each Municipality providing services pursuant to this Agreement shall be deemed employees of their respective Municipalities, and not shared services employees or employees of any other Municipality. An employee who performs services, pursuant to this Agreement on behalf of another member Municipality, shall be deemed to be acting within the scope of his current Municipal job duties at all times and remain an employee of the employee's Municipality for insurance coverage purposes. Said Municipal employee shall retain all accrued benefits and shall be subject to standard hiring and personnel practices of such municipality.
10. Indemnification & Insurance. To the extent permitted by law, each Municipality shall defend, indemnify, and hold the other Municipalities harmless from and against any and all claims, demands, liabilities, actions, causes of action, costs and expenses, including attorney's fees, arising out of the indemnifying Municipality's acts or omissions, breach of this Agreement, or the negligence or misconduct of the indemnifying Municipality or its agents or employees. In entering into this Agreement, no Municipality waives any governmental immunity or statutory limitation of damages. Should the Collaborative or a Municipality incur any liabilities on behalf of the Grant Program such as unemployment insurance or other unforeseen expenses, each of the member municipalities will proportionally share in the liability for such expenses.

The (City of Amesbury) and the Municipality shall obtain and keep in full force and effect public liability insurance in the amount of One Million Dollars (\$1,000,000) combined single limit for bodily injury, death and property damage arising out of any one occurrence, protecting the other party against all claims for bodily injury, Three Million Dollars (\$3,000,000) aggregate, death, or property damage arising directly or indirectly out of the Indemnification Provisions of this Agreement.

11. Entrance. Any municipality may petition the Collaborative to join this Agreement to the extent permitted by the grants. In order to approve the addition of a new entity to the Agreement for the Grant Program requires the approval of the Massachusetts Department of Public Health and no less than a two-thirds vote of the Advisory Board.

12. Withdrawal. Any Municipality other than the Lead Municipality, by votes of its respective authorizing bodies, may withdraw from this Agreement with the provision of at least three (3) months prior written notice to the Lead Municipalityies. Withdrawal requires the vote of both the Select Board and the Board of Health. Upon such withdrawal, the Shared Services Coordinator shall prepare full statements of outstanding unpaid financial obligations under this Agreement and present the same to the terminating Municipality for payment within thirty (30) days thereafter. To the extent permitted by the Grant Program and its agreement with the Commonwealth of Massachusetts pursuant thereto, the Lead Municipality, by a vote of its Select Board and Board of Health, may withdraw from this Agreement upon the provision of at least three (3) months prior written notice to the participating Municipalities and the Advisory Board, and a new Lead Municipality shall thereafter be designated by the Advisory Board, by a vote of the representatives of the remaining parties. Prior to the effective date of its withdrawal, the Lead Municipality shall transfer all funds held pursuant to this Agreement to the new Lead Municipality as designated by the Advisory Board any pay any outstanding unpaid financial obligations under this Agreement within thirty (30) days thereafter. Any Municipality may withdraw at the end of any fiscal year in which the Municipality's legislative body has not appropriated funds sufficient to support that Municipality's continued participation in the subsequent fiscal year if such funds are required. In such an event, the Municipality shall give as much notice to the other Municipalities to this Agreement as the circumstances allow. The Advisory Board, by vote of the remaining members, has the authority to reallocate grant resources or other outside funding that would have been allocated to the withdrawing Municipality. Any data collected from the terminating Municipality through a Shared Services Program project, service, or program will remain with the Advisory Board for analysis by the Shared Services Coordinator and the Advisory Board.

13. Termination. This Agreement may be terminated by a vote of a majority of the Municipalities' representatives of the Advisory Board, at a meeting of the Advisory Board called for that purpose; provided that the representative's vote has been authorized by the Municipality's Chief Executive Officer. Any termination vote shall not be effective until the passage of at least sixty (60) days and until the Municipalities have agreed to an equitable allocation of all remaining costs, expenses and assets.

14. Conflict Resolution. The Advisory Board may hold additional meetings to discuss and resolve any conflicts that may arise including, but not limited to, disagreements regarding the needs of each Municipality, administration of the shared services programs, the terms of this Agreement, data reporting and any other matters the parties deem necessary.
15. Financial Safeguards. The Lead Municipality shall maintain separate, accurate, and comprehensive records of all services performed for each of the Municipalities, and all contributions received from the Municipalities.
16. Assignment. None of the Municipalities shall assign or transfer any of its rights or interests in or to this Agreement, or delegate any of its obligations hereunder, without the prior written consent of all of the other Municipalities.
17. Amendment. This Agreement may be amended only in writing pursuant to an affirmative vote of all Municipalities' (Chief Executive Officer/Appointing Authority).
18. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, or if any such term is so held when applied to any particular circumstance, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement, or affect the application of such provision to any other circumstances, and the remaining provisions hereof shall not be affected and shall remain in full force and effect.
19. Governing Law. This Agreement shall be governed by, construed, and enforced in accordance with the laws of the Commonwealth of Massachusetts.
20. Headings. The paragraph headings herein are for convenience only, are no part of this Agreement, and shall not affect the interpretation of this Agreement.
21. Non-Discrimination. Neither the Lead Municipality nor the Municipalities shall discriminate against any person because of race, color, religious creed, national origin, gender, ancestry, sexual orientation, age, handicap, gender identity, genetic information, military service, or any other protected class under the law with respect to admission to, access to, or operation of its programs, services, or activities.
22. Notices. Any notice permitted or required hereunder to be given or served on any Municipality shall be in writing signed in the name of or on behalf of the Municipality giving or serving the same. Notice shall be deemed to have been received at the time of actual receipt of any hand delivery or three (3) business days after the date of any properly addressed notice sent by mail as set forth below:

The (City of Amesbury), as Lead Municipality, shall hire and employ a Shared Services Coordinator who may or may not be the (City of Amesbury)’s Director of Public Health, and, through the Shared Services Coordinator and its Health Department, shall perform all necessary fiscal and administrative functions necessary to provide the services contemplated under this Agreement, and shall be the holder of all grant funds related to the Grant Program, and may retain up to 15% of the funds received through the Grant Program for wages and resources related to the performance of such duties, in accordance with the Grant Program Scope of Services, attached hereto as Exhibit B and incorporated herein. Each participating municipality shall also have a second representative who shall be an associate member and who may vote only when the full member is not in attendance. Each municipality shall maintain its individual local Board of Health, which shall retain its own legal authority and autonomy as provided by law. The Shared Services Coordinator will be a non-voting member of the Advisory Board; however, in the event of a tie would be permitted to cast a deciding vote.
- b. Voting: Each participating municipality shall be entitled to one vote on the Advisory Board. Every voting member shall have an equal voice in determining shared priorities, and services to be provided.
- c. Quorum: A majority of the voting members of the Advisory Board shall constitute a quorum for the purposes of transacting business. The Advisory Board may act by a simple majority of members present and voting unless otherwise provided herein.

 - 9) Review financial status and financial statements provided by the Shared Services Coordinator.
 - 10) Review and provide recommendations on reports from staff.
 - 11) Hire, evaluate and terminate staff.
- e. Meetings. The Advisory Board shall meet no less than quarterly and may schedule additional meetings, as necessary. All meetings shall be conducted in compliance with the Massachusetts Open Meeting Law M.G.L. c. 30A, §§ 18-25 as may be amended from time to time if required.

6. Shared Services Program Participation. Each Municipality as part of this Agreement shall participate in the Shared Services Program as follows:
- a. Each Municipality will consent to the Collaborative's duly-authorized agents and representatives exercising the powers provided for herein and by the Advisory Board within the boundaries of said Municipality and will direct its agents and employees to work in good faith with the Collaborative's health agents, nurses, and any other employees the Collaborative may employ from time to time.
 - b. Each Municipality will be a member of the Advisory Board as established pursuant to this Agreement, and appoint and maintain two Advisory Board representatives at all times.
 - c. Each Municipality will use best efforts to ensure that a representative of the Municipality will attend all Advisory Board meetings (either in-person or via remote access) throughout the life of this Agreement.
 - d. Each Municipality will use best efforts to ensure that a representative of the Municipality will attend all training sessions which are offered in conjunction with the Grant Program geared towards stakeholders under the Program, as required by the DPH or its representative.
 - e. Each Municipality will assist in collecting the necessary data as agreed to by the Committee and pursuant to the data reporting policy established pursuant to Section 5 of this Agreement to help meet the goals of the Shared Services Program and the Grant Program. The data collection provided for herein will include, but not be limited to, reporting to the Advisory Board, through the Shared Services Coordinator, public health outcomes and services related to the Shared Services Program and the Collaborative's agents and nurses.
 - f. Each Municipality will request from the appropriate legislative body appropriation for any services, costs and expenses associated with the Collaborative and not covered by the Grant Program. Notwithstanding this provision or any other terms of this Agreement, no party shall be obligated to incur any financial cost above the amount made available herein through grants and gifts or other sources, unless the financial obligation is supported by an appropriation made in accordance with law.
 - g. Each Municipality will help promote and market the Shared Services Program and its services within their community.
7. Payment and Funding. Pursuant to G.L. c. 40, §4A, any funds received by the Shared Services Program, Advisory Board, or the (City of Amesbury) pursuant to this Agreement, shall be deposited with the treasurer of the (City of Amesbury) and held as a separate grant account and may be expended, with the approval of the Advisory Board, under the provisions of G.L. c. 34, §23 and G.L. c. 44, §53A, for contribution

toward the cost of the Shared Services Program and in compliance with established grant guidelines from grantors only.

The Advisory Board may authorize a disbursement of funds for any shared contractor, salary, or wages consistent with the terms of this Agreement, and/or for any program, service or benefit that is consistent with the terms of this Agreement.

Except for the 15% of Grant Program funding for administrative costs that the (City of Amesbury) may retain pursuant to Section 4 of this Agreement, a Municipality may draw on grant funds individually, with prior approval by the Advisory Board, and provided such funds are available, by submitting invoices to the Shared Services Coordinator for reimbursement from the funds, for expenditure consistent with the purposes of the Shared Services Program and applicable grant funding guidelines.

The (City of Amesbury), as the holder of Grant Program funds, will pay the invoice within 30 days, subject to the availability of funds; provided, however, that the (City of Amesbury) shall not be obligated to supply any funding or incur any cost in excess of the amounts made available to the Advisory Board and the Shared Services Program through the Grant Program and/or any other and gifts, grants, or other sources appropriated for the purposes of this Agreement. Individual municipal costs incurred outside the scope of this Agreement and specific to the needs of that Municipality will be borne solely by that Municipality. Any funds contributed by the Grant Program shall only be used for shared public health services consistent with the purposes of this Agreement.

Annually, the Advisory Board will develop and approve a public health services budget for contractual shared services. Initially, these services are funded by a 3-year Public Health Excellence Grant from the Department of Public Health administered by the (City of Amesbury). It is the intention of the (City of Amesbury) to seek additional grant funds to sustain these services but if that is unsuccessful, participating Municipalities will revisit this Agreement and determine whether they will allocate municipal funds to continue participation. The Shared Services Coordinator will provide each Municipality with sufficient notice to allow that Municipality's funding authority to authorize any such expenditure. Until grant funds are expended, there will be no cost to participating municipalities. Execution of this Agreement does not obligate any other participating Municipality to fund the Grant Program and a mutually acceptable written contract amendment would be required to do so.

Pursuant to G.L. c. 40, §4A, any party may, but shall not be required to, raise money by any lawful means to further the purposes of the Shared Services Program and any such funds shall be held by the (City of Amesbury) and expended pursuant to the terms of this Agreement.

8. Other Municipal Services. The Municipalities of the Collaborative may request the Advisory Board to add or remove associated services to be delivered as part of the

Shared Services Program, and such shall take effect only after this Agreement is so amended in writing and approved by each Municipality. The Municipalities are not limited exclusively to the Grant Program and are not required to use all services of the Grant Program. Municipalities may apply for other grants outside the Collaborative.

The Collaborative through a vote of the Advisory Board may apply for other grants, opportunities, funds, and awards for shared services on behalf of the Municipalities. The Advisory Board must approve any and all grants or grant applications submitted as a Collaborative. The Advisory Board may appoint other Municipalities to act as host agencies for these other grant opportunities and the Municipalities agree that this Agreement shall be amended to account for any associated grant terms and conditions.

9. Employees. Employees and personnel of each Municipality providing services pursuant to this Agreement shall be deemed employees of their respective Municipalities, and not shared services employees or employees of any other Municipality. An employee who performs services, pursuant to this Agreement on behalf of another member Municipality, shall be deemed to be acting within the scope of his current Municipal job duties at all times and remain an employee of the employee's Municipality for insurance coverage purposes. Said Municipal employee shall retain all accrued benefits and shall be subject to standard hiring and personnel practices of such municipality.
10. Indemnification & Insurance. To the extent permitted by law, each Municipality shall defend, indemnify, and hold the other Municipalities harmless from and against any and all claims, demands, liabilities, actions, causes of action, costs and expenses, including attorney's fees, arising out of the indemnifying Municipality's acts or omissions, breach of this Agreement, or the negligence or misconduct of the indemnifying Municipality or its agents or employees. In entering into this Agreement, no Municipality waives any governmental immunity or statutory limitation of damages. Should the Collaborative or a Municipality incur any liabilities on behalf of the Grant Program such as unemployment insurance or other unforeseen expenses, each of the member municipalities will proportionally share in the liability for such expenses.

The (City of Amesbury) and the Municipality shall obtain and keep in full force and effect public liability insurance in the amount of One Million Dollars (\$1,000,000) combined single limit for bodily injury, death and property damage arising out of any one occurrence, protecting the other party against all claims for bodily injury, Three Million Dollars (\$3,000,000) aggregate, death, or property damage arising directly or indirectly out of the Indemnification Provisions of this Agreement.

11. Entrance. Any municipality may petition the Collaborative to join this Agreement to the extent permitted by the grants. In order to approve the addition of a new entity to the Agreement for the Grant Program requires the approval of the Massachusetts Department of Public Health and no less than a two-thirds vote of the Advisory Board.

12. Withdrawal. Any Municipality other than the Lead Municipality, by votes of its respective authorizing bodies, may withdraw from this Agreement with the provision of at least three (3) months prior written notice to the Lead Municipalityies. Withdrawal requires the vote of both the Select Board and the Board of Health. Upon such withdrawal, the Shared Services Coordinator shall prepare full statements of outstanding unpaid financial obligations under this Agreement and present the same to the terminating Municipality for payment within thirty (30) days thereafter. To the extent permitted by the Grant Program and its agreement with the Commonwealth of Massachusetts pursuant thereto, the Lead Municipality, by a vote of its Select Board and Board of Health, may withdraw from this Agreement upon the provision of at least three (3) months prior written notice to the participating Municipalities and the Advisory Board, and a new Lead Municipality shall thereafter be designated by the Advisory Board, by a vote of the representatives of the remaining parties. Prior to the effective date of its withdrawal, the Lead Municipality shall transfer all funds held pursuant to this Agreement to the new Lead Municipality as designated by the Advisory Board any pay any outstanding unpaid financial obligations under this Agreement within thirty (30) days thereafter. Any Municipality may withdraw at the end of any fiscal year in which the Municipality's legislative body has not appropriated funds sufficient to support that Municipality's continued participation in the subsequent fiscal year if such funds are required. In such an event, the Municipality shall give as much notice to the other Municipalities to this Agreement as the circumstances allow. The Advisory Board, by vote of the remaining members, has the authority to reallocate grant resources or other outside funding that would have been allocated to the withdrawing Municipality. Any data collected from the terminating Municipality through a Shared Services Program project, service, or program will remain with the Advisory Board for analysis by the Shared Services Coordinator and the Advisory Board.

13. Termination. This Agreement may be terminated by a vote of a majority of the Municipalities' representatives of the Advisory Board, at a meeting of the Advisory Board called for that purpose; provided that the representative's vote has been authorized by the Municipality's Chief Executive Officer. Any termination vote shall not be effective until the passage of at least sixty (60) days and until the Municipalities have agreed to an equitable allocation of all remaining costs, expenses and assets.

14. Conflict Resolution. The Advisory Board may hold additional meetings to discuss and resolve any conflicts that may arise including, but not limited to, disagreements regarding the needs of each Municipality, administration of the shared services programs, the terms of this Agreement, data reporting and any other matters the parties deem necessary.
15. Financial Safeguards. The Lead Municipality shall maintain separate, accurate, and comprehensive records of all services performed for each of the Municipalities, and all contributions received from the Municipalities.
16. Assignment. None of the Municipalities shall assign or transfer any of its rights or interests in or to this Agreement, or delegate any of its obligations hereunder, without the prior written consent of all of the other Municipalities.
17. Amendment. This Agreement may be amended only in writing pursuant to an affirmative vote of all Municipalities' (Chief Executive Officer/Appointing Authority).
18. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, or if any such term is so held when applied to any particular circumstance, such invalidity, illegality, or unenforceability shall not affect any other provision of this Agreement, or affect the application of such provision to any other circumstances, and the remaining provisions hereof shall not be affected and shall remain in full force and effect.
19. Governing Law. This Agreement shall be governed by, construed, and enforced in accordance with the laws of the Commonwealth of Massachusetts.
20. Headings. The paragraph headings herein are for convenience only, are no part of this Agreement, and shall not affect the interpretation of this Agreement.
21. Non-Discrimination. Neither the Lead Municipality nor the Municipalities shall discriminate against any person because of race, color, religious creed, national origin, gender, ancestry, sexual orientation, age, handicap, gender identity, genetic information, military service, or any other protected class under the law with respect to admission to, access to, or operation of its programs, services, or activities.
22. Notices. Any notice permitted or required hereunder to be given or served on any Municipality shall be in writing signed in the name of or on behalf of the Municipality giving or serving the same. Notice shall be deemed to have been received at the time of actual receipt of any hand delivery or three (3) business days after the date of any properly addressed notice sent by mail as set forth below:

Debbie, thanks for this. Would you be able to share Town Counsel's comments on the draft IMA? Trying to minimize duplication of effort (and manage legal costs), and will be happy to share what we learn as we dig into this further. Thanks!

Subject: RE: Questions re proposed Regional IMA re Public Health

Hi All:

My Board of Selectmen approved a Board of Health Shared Services Statement of Commitment in June of 2023. Please see attached. According to my Health Director Frank Marchegiani, our Town Counsel reviewed a draft intermunicipal agreement in mid-November 2023 and had a few edits that were then forwarded to Amesbury on November 15, 2023. Amesbury is the lead community on this initiative. At this point, my Health Director is not sure where the IMA review stands. Please let me know if you have any questions.

Sincerely,
Debbie

Subject: Questions re proposed Regional IMA re Public Health

Hi,

Our Select Board has been asked to sign the attached IMA. I haven't referred it for Town Counsel review, but in my own review have a number of questions. I'm wondering whether/how your Boards have addressed this: have they taken it up, signed it? Is review ongoing/pending?

Note: I have only included the named towns' Town Administrators, not the Mayors, because of the differences in dynamics/form of govt between Select Boards and Mayors/Councils.

Would like to share info on this so we can jointly benefit from a collective understanding of the pros/cons(?) of this proposal. Happy to host a zoom if others would be interested.

Thanks,
Angus

Subject: Mass Cultural Council Notification for Local Cultural Council Allocation (FY24-LC-LCC-1965)
Date: Thursday, January 11, 2024 1:00:21 PM

Dear Christy Skinner,

Congratulations! Mass Cultural Council is pleased to inform you that your FY24 Local Cultural Council Allocation application (FY24-LC-LCC-1965) has been approved for a grant in the amount of **\$7,100**.

Mass Cultural Council looks forward to celebrating this important public investment in the Commonwealth's cultural sector, and Merrimac Cultural Council will be listed in our Agency's publicity materials. Please refer to our [Credit and Publicity Kit](#) for information on how you can share your great news!

The new fiscal year brings two NEW updates to our grant payment process:

- We've shifted to electronic contracts with DocuSign.
- The Commonwealth Comptroller's office has revised the Contractor Authorized Signatory Listing (CASL) Form.

Below are the instructions and what to anticipate next in the contracting and payment procedures for your FY24 Local Cultural Council Allocation grant (FY24-LC-LCC-1965).

1. **The Contract Authorized Signatory** (Chris Manni, selectmen@townofmerrimac.com): will receive **two** DocuSign forms from the Massachusetts Office of the Comptroller:
 - **Form #1 Contractor Authorized Signatory Listing (CASL) Form:** Even if your organization has provided this in the past, you must now provide this information again.
 - **Form #2 W-9 and Electronic Funds Transfer (EFT) Form:** Whether this is your first time providing this information or you have previously submitted these forms, you are now required to submit the W-9 and Electronic Funds Transfer (EFT) forms again.
 - You must include an uploaded image of a voided check OR a Direct Deposit Confirmation Letter from your bank containing your name, address, account, and routing number.
 - Please note that PO Box addresses are not acceptable on the W-9 Form.

Helpful Links: [W-9/EFT Job Aid](#), [DocuSign FAQ](#).
2. **The Contract Authorized Officer** (Carol McLeod, cmcleod@townofmerrimac.com): will receive **one** DocuSign email containing the Contractor Authorized Signatory Listing (CASL) Form after the Contract Authorized Signatory signs the CASL. This is a newly instituted requirement.
3. **Mass Cultural Council:** We will review all submitted forms carefully and contact you if clarification or adjustments are needed. An email confirmation will follow, indicating your state forms are complete and your standard contract is ready to sign.
4. **The Contract Authorized Signatory** (Chris Manni, selectmen@townofmerrimac.com):

Expect one DocuSign form from Mass Cultural Council's DocuSign account containing the **Standard Contract Form** (SCF) and attachments.

5. **Final Steps:** Once Mass Cultural Council signs the Standard Contract Form, you will receive an email from the grants management system letting you know it has been executed. A PDF copy of the executed contract will be available in the grants management system to download for your records. The Contract Authorized Signatory will also receive a copy from DocuSign. Grant payments are typically made 7 to 10 business days after the contract is executed. You can look up payment details in the grants management system.

We are excited to introduce electronic signature contracts this year and recognize that change, even positive, can present challenges for our grantees. For more information, you can review the [contract instructions](#) or the [Frequently Asked Questions \(FAQs\)](#).

If you have questions about the contract, please contact finance.helpdesk@mass.gov.

Mass Cultural Council is proud to support the great work you do to advance the Power of Culture across the Commonwealth.

Best Regards,

Mass Cultural Council

Hello Jennifer,

It occurred to me I worded the original email poorly. With Keith's resignation, there will be a vacancy for Alternate for the Planning Board. Once my term on the Board has ended, I will apply for it. As always, the Planning Board will review the applicants and make a recommendation to the Select Board.

Thanks,
 Sandy

Hello Jennifer,

Below is the letter of resignation from Keith Pollman as Alternate for the Planning Board. The Select Board may want to announce this opening. Subject: Alternate Planning Board Position

Good morning, all,

Please accept this email as my official resignation from the Alternate Member position on The Merrimac Planning Board, effective immediately.

As you know, the RV Transport, and now Auto Transport business that Melissa and I have created has made it very difficult to guarantee that I am in town and able to attend regularly for some time now. As a small business owner, when jobs show up, if you want the work, you must take them, and not delay. Couple that with the complications in my personal life, it has made committing to the board very difficult.

When I am not being able to be present regularly, then other board members not being present, meetings are cancelled, typically at the last minute. While we all understand that emergencies happen. At the end of the day we are all volunteers. When this becomes the norm, it is highly unfair for the Applicants. Cancelled meetings as a result of quorums not met, makes for a waste of time and money for the Applicants. This has been my position for some time and is why I have been trying to part ways, leaving room for someone that can be more dedicated and in attendance

regularly.

This is why I have stayed on as Alternate when my full position could be filled. I felt leaving a vacant position, would be worse than someone that can make an attempt to show up from time to time. As I mentioned, I have felt for a while that this is very unfair to the Applicants that come before the Planning Board, and have personally felt awful when I am the cause of this. They have money and time invested, and deserve to be heard, for better or worse.

In closing, I have enjoyed my several years both as an Alternate, and a Full Member of The Planning Board. I have gained a lot of knowledge and experience over that time. I hope that I was able to contribute in some small way during that time as well.

Thank you very much and I look forward to seeing you all around town.

Best regards,

Keith Pollman

Re: Letter of Interest for Affordable Housing and Commission on Disabilities

Dear Select Board Members,

I recently attended a Commission on Disabilities meeting to ask for their permission on applying for a grant to assist with updating the sidewalks in town. I learned a lot about the projects that they work on and their determination and ambition to make Merrimac a more accommodating and inclusive town for all.

I am writing this letter of interest to inquire about becoming a member of the Commission on Disabilities, as well as the Affordable Housing Committee. I am currently employed by the town as the Merrimac Senior Center Outreach Coordinator. I have a Master's degree in Social Work and am passionate about social justice, equity, and community work. I am looking to become more involved in my community as I learn more about Merrimac from not only being a resident for the past 5 years, but from my role at the COA. These are two areas that I have a lot of interest in and want to do my part as a resident and social worker to improve on these areas for my community. I think being involved with the Commission on Disabilities and Affordable Housing Committee would be a great place to start.

I appreciate the opportunity to serve my community and look forward to speaking with you in the near future.

Sincerely,
Bridget Batcheller

The U.S. Census Bureau is now conducting the Boundary and Annexation Survey (BAS). Your state, county, or county equivalent government collaborates with the Census Bureau to provide a BAS response on your government's behalf. The Consolidated BAS (CBAS) representative reports all legal boundary, name, and status updates to the Census Bureau. Please work with your CBAS contact to ensure all boundary changes for your government are reported to BAS. Participants may also provide updates to census designated places.

BAS is a voluntary survey. We strongly encourage your participation in BAS for the following reasons:

- The Census Bureau uses this boundary information for data collection, tabulation, and dissemination for the decennial census, American Community Survey (ACS), Population Estimates Program (PEP), and many other censuses and surveys.
- The federal government allocates more than \$2.8 trillion in federal funds annually for health, welfare, infrastructure, education, and other federal programs and services. Correct boundaries ensure governments receive funds appropriately and have the best data available for their decision-making processes.

Action Step:

- **Review your government's boundary and confirm or update your contact information** using our interactive BAS Annual Response Form. The form includes all resources and instructions to review boundaries and provide contact updates to BAS.

Good Afternoon Local Leaders,

I hope everyone is having a great week. I wanted to bring us all together to kick off this Whittier Task Force idea. My hope was to have two people from each community: the 11 of us on this email and then a representative from each city council or select board. I am going to send a similar email to them as well to get this on their radar. I know this will be a long process. Anything that this group comes up with will eventually have to go through each community's board for approval. I have

already spoken about this group with our City Council President Ed Cameron who is eager to participate. As you know Newburyport has been working with law firm Pierce Atwood to examine the 1967 Regional Agreement and compile a list of possible amendments to that agreement. I will have a document to share from them when we meet.

I am proposing that we meet on Wednesday, March 4th at 2pm here at City Hall in our Auditorium. Please let me know if that does not work for you. My idea for a first agenda is as follows:

Welcome/Introduction on group and purpose
 Round table discussion around the vote
 Next steps for Whittier including capital plan and ongoing communication
 Opportunities around the agreement
 Process for potential amendments
 Next Steps

I look forward to meeting with you all, and please let me know what questions or concerns you may have.

Respectfully,

Sean Reardon
